SELECTMEN'S REPORT

I have really enjoyed serving the people of Haverhill as selectmen for the past three years. It has been a great experience and I hope that I have served you well.

We are currently drawing up our budget for the new year, and we as a board are trying to keep the costs of town government at a minimum. We need to remind you that we have to also keep looking forward and hopefully maintain and upgrade our assets.

Projects of the 1991 year were quite extensive. We received a \$350,000.00 Community Development Block Grant from the Office of State Planning for a Daycare Center to be located in Woodsville. There were some minor setbacks which required getting a time extension for completion of the project, but they should be open and operating prior to Town Meeting. This should prove to be a great asset to the Town of Haverhill.

Phase II of the Woodsville Housing Rehabilitation Grant, which was also for \$350,000.00, is now nearing its final stage. This project provided for rehabilitation of existing housing in Woodsville and is an example of government funds that are being well spent.

The Ammonoosuc Solid Waste Plan has been updated and recently received approval from the State. Haverhill is still using the Newbury Landfill for solid waste disposal. As for recycling, we are now awaiting finalization of the permit process for the Twin River Recycling facility which is located in Bath. This recycling center will be able to accommodate the needs of the Ammonoosuc Solid Waste District, which includes the towns of Haverhill, Bath, Benton and Monroe. Hopefully, this facility will be permitted and fully operational in the near future.

The Airport Drainage Project was completed this past year. The Selectmen would like to see continued upgrading the airport. The airport is an important asset to our community and also an integral part of our economic plan.

In June of this year we increased our building permit fee from \$1.00 to \$25.00. With the assistance of Lobdell Associates the Selectmen developed a new building permit ordinance and the increase in cost of the building permit was necessary in order to cover costs associated with the permit process. The building permit keeps the Selectmen informed of building and renovation activity within the town, which is necessary in order to keep the tax records updated and in order to monitor growth. A driveway permit system has also been implemented which is now a part of the building permit application and is overseen by the Road Agent.

The Town will be hiring a new appraiser, and we are hopeful that this will be finalized by Town Meeting.

This year Max Moulton of North Haverhill was presented with the Boston Post Cane. Max is 96 years old.

Property taxes are still the major burden for all of us in the Town of Haverhill. We hope that some federal funding may come our way in the form of economic development, which will create jobs and stimulate growth. Haverhill has a lot to offer. This year a Haverhill Economic Development Committee was formed, and they are

presently at work on a study of the town to inventory its assets and potential for growth. This committee has made tremendous progress in a short time and they deserve all of our support. We believe that our town has a lot of potential and there are already a lot of support services in place which should be capitalized on. Some of those include:

- [1] Education [a great school system]
- [2] Hospital [including new medical offices]
- [3] Airport
- [4] County Complex [provides numerous jobs for townspeople]
- [5] District Court [needs space to grow]
- [6] Business Community
- [7] Local Banking [very strong]
- [8] Police Department, Highway Department, Fire Departments, Ambulance Service
- [9] Location [White Mountains, Connecticut River Valley, close to I-91]
- [10] Woodsville Water & Light Department & Wastewater Treatment Facility [all up to date & strong]

Respectfully submitted,
Harry E. Simano, Chairman

Selectman Richard Kinder presents the Boston Post Cane to Max Moulton of North Haverhill.

PLANNING BOARD REPORT

Due to the local economy the board saw little subdivision activity in 1991. None of the applications were greater than two-lots, and most of these were transfers to abutting landowners.

The board was kept busy this year in their efforts to continue working on the revisions to the town's Master Plan. Since the US Census data has now been compiled and is being made available, the board agreed that this information should be included in our document, so we will not be able to make the plan available to the public until later in 1992.

In the meantime, the Planning Board will be sending out a local opinion survey to residents, and the results of that survey will be tabulated and included in the Master Plan. The Master Plan contains a wealth of information and the Planning Board has strived to make it as complete as possible.

The Planning Board meets on the third Tuesday of each month at 7:30 PM at the Municipal Building. The public is encouraged to attend these meetings. Public input is always welcomed.

Respectfully submitted,
Patricia Klark, Clerk

Woodsville firefighters came to the local schools and spoke to students about fire safety in the home.

REPORT OF HAVERHILL ECONOMIC AND INDUSTRIAL DEVELOPMENT COMMITTEE

In June, 1991, the Haverhill Board of Selectmen appointed a new group, the Haverhill Economic and Industrial Development Committee. They were charged with looking into ways of attracting new industry and business into the Town of Haverhill.

The group has been meeting on a steady basis and has held several sessions with area, state and federal elected officials and department heads. Their progress has been steady.

In the fall, the group sponsored a series of meetings with townspeople, state officials, and North Country Council Executive Director, Preston Gilbert. The meetings were well attended and provided the group with goals and objectives for them to pursue. To name just a few, they will be looking at enhancing new business growth, develop tourism, focus on agri-business ventures, create jobs, preserve and improve the environment and attempt to attract clean light industry.

In addition to sponsoring the series of important meetings, the Haverhill Economic and Industrial Development Committee has begun the establishment of a Chamber of Commerce, set into motion with state education officials, a technical education program due to begin the fall of 1992 and has begun to produce a series of brochures relative to the attractiveness of Haverhill for tourists and business leaders.

Their work has just begun.

Respectfully,

Bernie Marvin, Acting Chairman
Sharon Fadden, Vice Chairman
Ginny Lennon, Secretary

1992 ANNUAL TOWN MEETING WARRANT
TOWN OF HAVERHILL, NEW HAMPSHIRE

To the inhabitants of the Town of Haverhill, in the County of Grafton, State of New Hampshire, qualified to vote in Town affairs:

You are hereby notified to meet at the James R. Morrill School in North Haverhill on Tuesday March 10th, 1992 at eight o'clock in the forenoon to act on the following matters. Article One will be decided by written ballot. The polling booths will be open from 8:00 AM to 6:00 PM for voting on Article One. At 6:00 PM the meeting will adjourn to reconvene at 7:30 PM at the James R. Morrill School in North Haverhill, in said Town of Haverhill for consideration of the remaining articles on this WARRANT:

Article 1: To choose by a non-partisan ballot one Selectman for a term of three [3] years; a Town Clerk for a term of one [1] year; a Tax Collector for a term of one [1] year; a Treasurer for a term of one [1] year; a Trustee of Trust Funds for a term of three [3] years; a Moderator for a term of two [2] years; and a Supervisor of the Checklist for a term of six [6] years.

Article 2: To announce the results of the balloting on Article One.

Article 3: To choose a Cemetery Commissioner for a term of five [5] years; to choose a Library Trustee for a term of three [3] years, and to choose any other necessary town official.

Article 4: To hear the reports of the Selectmen, Treasurer, Cemetery Commissioners, and other Town Officers and Committees heretofore chosen and pass any vote relating thereto.

Article 5: To see if the Town will vote to authorize the Selectmen to issue interest bearing notes in anticipation of taxes and to provide for the expenses of the current year.

Article 6: To see if the Town will vote to authorize the Selectmen to apply for, receive and expend Federal and State grants, which may become available during the year, in accordance with RSA 31:95-b and also to accept and expend money from any other governmental unit or private source to be used for purposes for which the town may legally appropriate money.

Article 7: To see if the Town will vote to authorize the Selectmen to sell real estate acquired by the Town through advertising for sealed bids, except that the selectmen would be empowered, but not required, to make one last offer to the person who was divested of his property and a late redemption would be allowed upon payment of all taxes, costs and interest.

Article 8: To see if the Town will vote to authorize the Moderator to appoint a Budget Committee to recommend to the next Annual Town Meeting the amounts to be raised for various purposes, such recommendations to be printed in the next Annual Report.

Article 9: To see if the town will vote to make any alterations in the amount of money to be raised and appropriated for the ensuing year for the support of the Town as recommended by the Budget Committee in its report, to raise and appropriate all sums so determined for said purposes, and pass any other vote relating thereto.

Article 10: To see if the Town will vote to authorize the Selectmen to accept the conveyance of the James R. Morrill Elementary School building from the Haverhill Cooperative School District, and to raise and appropriate the sum of Seventy Five Thousand Dollars [\$75,000.00] for the purpose of making renovations to the building.

Article 11: To see if the Town will vote to raise and appropriate the sum of Fifty Thousand Dollars [\$50,000.00] for the purchase of the VFW field.

Article 12: To see if the Town will vote to raise and appropriate the sum of Twenty Thousand [\$20,000.00] for reconstruction of a section of Brushwood Road.

Article 13: To see if the Town will vote to raise and appropriate the sum of Ten Thousand Dollars [\$10,000] for the support of the Cottage Hospital.

Article 14: To see if the Town will vote to raise and appropriate the sum of Five Thousand Six Hundred Thirteen Dollars and Seventy Two Cents [\$5,613.72] for the support of White Mountain Mental Health and Developmental Services.

Article 15: To see if the Town will vote to raise and appropriate the sum of Six Hundred Dollars [\$600.00] for the support of the RSVP Home Patrol.

Article 16: To see if the Town will vote to raise and appropriate the sum of Twenty Five Thousand Dollars [\$25,000.00] for repair work on the Jeffers Hill Bridge.

Article 17: To see if the Town will vote to authorize the sum of Six Thousand Dollars [\$6,000.00] to redraft and update the town tax maps.

Article 18: To see if the Town will vote to authorize the withdrawal of the sum of Twenty Five Thousand Dollars [\$25,000.00] from the vehicle capital reserve fund to be applied to the purchase of a new highway truck. The purchase of the highway truck is authorized in the town operating budget [highway department].

Article 19: To take any other action that may legally come before this meeting.

Given under our hands and seals this 6th day of February, 1992.

HAVERHILL BOARD OF SELECTMEN

**HARRY E. SIMANO
ERNEST A. TOWNE
RICHARD G. KINDER**

MINUTES OF ANNUAL TOWN MEETING
MARCH 12, 1991

The Annual Town Meeting opened at the James R. Morrill Elementary School in North Haverhill at 8:00 A.M. Moderator Archie Steenburgh read the first three articles of the warrant pertaining to the ballot vote.

Article 1: To choose by a non-partisan ballot one Selectman for a term of three [3] years; a Town Clerk for a term of one [1] year; a Tax Collector for a term of one [1] year; A Treasurer for a term of one (1) year; and a Trustee of Trust Funds for a term of three (3) years.

Article 2: To announce the results of the balloting on Article One.

511 ballots cast

Selectman - Three Year Term

Richard G. Kinder	292	Ralph N. Fitts	23
James Fortier	159	Frank Natola	11
		Other	2

Tax Collector - One Year Term

Norma Lavoie	455	Other	17
--------------	-----	-------	----

Town Clerk - One Year Term

Helen M. Smith	465	Other	6
----------------	-----	-------	---

Town Treasurer - One Year Term

Robert F. Miller, Jr.	450	Other	10
-----------------------	-----	-------	----

Article 3: To choose a Cemetery Commissioner for a term of five [5] years; to choose a Library Trustee for a term of three [3] years, to choose a Trustee of Trust Funds for a term of three (3) years, and to choose any other necessary Town official.

Everett Sawyer moved that Maurice E. Horne be chosen as Cemetery Commissioner for a term of five (5) years. William Horne seconded the motion. So voted by a voice vote.

Dean Hammond resigned as a Cemetery Commissioner. There are 4 years left in his term. Everett Sawyer nominated Robert Rutherford to take Dean Hammond's 4 year term. Robert Clifford seconded the motion. It was so voted by a voice vote.

Ezra Mann II nominated Marilyn Spooner for Library Trustee for a term of three years. Katharine Blaisdell seconded the motion. It was so voted by a voice vote.

John Farnham nominated James Graham for a three year term as Trustee of Trust Funds. Everett Sawyer seconded the motion. So voted by a vice vote.

Article 4: To hear the reports of the Selectmen, Treasurer, Cemetery Commissioners, and other Town Officers and Committees heretofore chosen and pass any vote relating thereto.

Ezra Mann, II moved the reports be accepted as printed in the Town Report. Donald Miller Jr. seconded the motion. So voted by a voice vote.

Article 5: To see if the Town will vote to authorize the Selectmen to issue interest bearing notes in anticipation of taxes and to provide for the expenses of the current year.

Donald Miller, Jr. moved the article be accepted as printed. Victor Smith seconded the motion. It was so voted by a voice vote.

Article 6: To see if the Town will vote to authorize the Selectmen to apply for, receive and expend Federal and State grants, which may become available during the year, in

accordance with RSA 31:95-b and also to accept and expend money from any other governmental unit or private source to be used for purposes for which the town may legally appropriate money.

Ezra Mann II moved the article be accepted as printed. Robert Clifford seconded the motion. So voted by a voice vote.

Article 7: To see if the Town will vote to authorize the Selectmen to sell real estate acquired by the Town through Tax Collector's Deeds, by public auction sale or by advertising for sealed bids, except that the Selectmen would be empowered, but not required, to make one last offer to the person who was divested of his property and a late redemption would be allowed upon payment of all taxes, costs and interest.

Paul LaMott moved the Article. Stephen Wellington seconded. Homer May moved that the Article be amended to read "the Selectmen would be empowered and required". Frank Natola seconded the motion. This amendment was passed by voice vote. The Article was passed as amended by a voice vote.

Article 8: To see if the Town will vote to authorize the Moderator to appoint a Budget Committee to recommend to the next Annual Town Meeting the amounts to be raised for various purposes, such recommendations to be printed in the next Annual Report.

Ezra Mann II moved that the Moderator appoint a Budget Committee. Robert Clifford seconded the motion. So voted by a voice vote.

Article 9: To see if the town will vote to make any alterations in the amount of money to be raised and appropriated for the ensuing year for the support of the Town as recommended by the Budget Committee in its report, to raise and appropriate all sums so determined for said purposes, and pass any other vote relating thereto.

Peter Kimball moved that the Town raise and appropriate \$1,106,750.88. Ezra Mann II seconded the motion. After a lengthy discussion about the budget, a ballot vote was asked

for. So voted. Results of the ballot were as follows: 222 votes cast. Yes 103, No 116, 3 ballots spoiled. The budget was defeated by a ballot vote.

Paul LaMott moved the meeting be recessed until April 9th at 7:30 PM. Jonathan Rutstein seconded the motion. After much discussion, Vern Dingman moved the question. Victor Smith seconded the motion. The question was defeated by a voice vote.

Victor Smith moved that the motion on the floor be tabled and brought back later. Everett Sawyer seconded the motion. This was passed by a voice vote.

Article 10: To see if the Town will vote to authorize the Selectmen to convey to the Haverhill Cooperative School District real estate consisting of twenty nine and eight tenths [29.8] acres, more or less, of the Frank R. Dean Memorial Airport upon such terms and conditions as the Selectmen may deem appropriate for consideration paid less than one dollar and upon express condition that the said School Board agrees to assume and pay any costs and expenses relative to rendering the title of the foregoing real estate marketable, to hold the Town harmless with respect thereto and to indemnify the Town against liability therefore.

Donald Miller moved the Article. Ruth Wellington seconded the motion. After many questions and answers, this was passed by a voice vote.

Article 11: WHEREAS, although the right of free expression is part of the foundation of the United States Constitution, very carefully drawn limits on expression in specific instances have long been recognized as legitimate means of maintaining public safety and decency, as well as orderliness and productive value of public debate; and

WHEREAS, There are symbols of our nation such as the Washington Monument, the United States Capitol Building, memorials to our greatest leaders, and our flag, which are the property of every American and are therefore worthy of protection from desecration and dishonor; and

WHEREAS, The law as interpreted by the United States Supreme

Court no longer accords to the flag the reverence, respect, and dignity to which it is entitled; and

WHEREAS, it is only fitting that people everywhere should join in a forceful call for the restoration of the flag to its proper station under law and decency;

NOW THEREFORE BE IT RESOLVED, That the voters of the Town of Haverhill respectfully request that the Congress of the United States to propose an amendment of the United States Constitution, for ratification by the States, specifying that Congress and the states shall have the power to prohibit the physical desecration of the flag of the United States.
[ARTICLE BY PETITION]

Jonathan Rutstein moved the Article. Jay Holden seconded. This article was passed by a voice vote.

Article 12, 13, 14, 15, & 16 were passed over at this time.

Article 17: On this town warrant, we hereby request that the representatives of the Legislature pass a bill creating the solution for the Property Tax Relief in the Town of Haverhill with a 4% Sales Tax earmarked and written into the bill to be used solely for schools only. [ARTICLE BY PETITION]

Frank Natola moved the Article. Everett Sawyer seconded. James Miller amended the Article to read "On this town warrant we hereby request that the Representative of the Legislature pass a bill creating the solution for the Property Tax Relief in the Town of Haverhill with a sales or income tax earmarked and written into the bill to be used solely for schools only.

This amendment was seconded by Lorraine Demers. After much discussion, this amendment was defeated by a voice vote. The article was also defeated by a voice vote.

Article 18: To see if the Town will vote to decide all monetary issues in the future by Australian Ballot. [ARTICLE BY PETITION]

Donald Miller moved that the article be passed over. Everett Sawyer seconded the motion. So voted by a voice vote.

The Moderator stated that we were now back to the position to entertain from the floor a motion to take Article 9 off the table.

Matthew McCaffrey moved that Article 9 be put back on the floor. Harvey Keyes seconded the motion. The motion that was on the floor was made by Paul LaMott. He moved that the meeting be recessed until April 9th at 7:30 PM. Jonathan Rutstein seconded. It was so voted to recess until April 9th.

April 9th, 1991

The recessed Town Meeting of March 12th was called to order by the Moderator, Archie Steenburgh at 7:30 PM.

Article 9: To see if the Town will vote to make any alteration in the amount of money to be raised and appropriated for the ensuing year for the support of the Town as recommended by the Budget Committee in its report, to raise and appropriate all sums so determined for said purposes, and pass any other vote relating thereto.

Selectman, Richard Kinder explained that the budget had been cut \$16,414.00 which would mean a reduction in the tax rate of \$.11. The new budget proposed was given to voters so they could see where the cuts were made. Selectman Richard Kinder moved that the sum of \$1,090,336.88 be raised and appropriated for the support of the Town. Selectman Ernest Towne seconded the motion.

William Foster made the following amendment: If the monies anticipated to be received by Haverhill from the State of NH during the 1991 fiscal year are reduced by the State and the spending authorized by this Article shall be reduced by the same dollar amount. Sharon Fadden seconded the motion. This amendment was defeated by a voice vote.

Homer May made the following amendment: The taxes to be raised this year be the same amount as last year, to have a zero growth in taxes. Helen Mill seconded that motion. After much discussion this amendment was defeated by voice vote.

Jonathan Rutstein made the motion that \$16,414.00 be put back into the budget. James Gaylord seconded the motion. By a voice vote this amendment was passed.

Back to the original motion by Selectman, Richard Kinder, to raise and appropriate the sum of \$1,090,366.88 plus \$16,414.00 that was voted back in the budget. This budget was approved by a voice vote.

Article 12: To see if the Town will vote to raise and appropriate the sum of Ten Thousand Dollars [\$10,000.00] to be added to the Vehicle Capital Reserve Fund previously established.

Michael Kennedy moved that \$10,000.00 be added to the Vehicle Capital Reserve Fund. Stephen Wellington seconded the motion. It was so voted by a voice vote.

Article 13: To see if the Town will vote to raise and appropriate the sum of Sixty Thousand Dollars [\$60,000.00] for reconstruction of a section of Brushwood Road.

Everett Sawyer moved that the Town raise and appropriate \$60,000.00 for reconstruction of a section of Brushwood Road. Victor Smith seconded the motion.

Selectman Richard Kinder explained that 20% of the money would go to Woodsville Fire District. He also explained what would be done to the road. Homer May, along with seven others asked for a ballot vote. Results of the voting by ballot were Yes 89 and No 51. This article was passed by a ballot vote.

Article 14: To see if the Town will vote to raise and appropriate the sum of Ten Thousand Dollars [\$10,000.00] for the support of the Cottage Hospital.

Charles Barry moved that \$10,000.00 be raised and appropriated for the support of the Cottage Hospital. Bernard Marvin seconded the motion. Homer May asked for a ballot vote. This was not agreed to by six other voters. This article was passed by a voice vote.

Article 15: To see if the Town will vote to raise and appropriate the sum of Five Thousand Six Hundred Five Dollars and Eleven Cents [\$5,605.11] for the support of White Mountain Mental Health and Developmental Services.

Stephen Wellington moved that \$5,605.11 be raised and appropriated to support White Mt. Mental Health. Robert Lane seconded the motion. This article was defeated by a voice vote.

Article 16: To see if the Town will vote to raise and appropriate the sum of One Thousand Dollars [\$1,000.00] for the purpose of printing the Master Plan.

Larry Sedgwick moved that \$1,000.00 be raised and appropriated for the purpose of printing the Master Plan. Vern Dingman seconded the motion. This article was passed by a voice vote.

Articles 17 and 18 were acted on March 12, 1991.

Article 19: To take any other action that may legally come before this meeting.

Homer May moved that a committee be appointed by the Moderator to study the savings of combining Precinct services and that report be submitted at the next annual Town Meeting. James Frezza seconded the motion. This motion was defeated by a voice vote. Everett Sawyer moved that this meeting be adjourned. Douglas McDonald seconded the motion. This meeting was adjourned at 9:05 PM.

Respectfully,

Helen M. Smith
Town Clerk

INDEPENDENT AUDITOR'S REPORT

Board of Selectmen
Town of Haverhill, New Hampshire

We have audited the accompanying general purpose financial statements of the Town of Haverhill, New Hampshire, as of December 31, 1990 and for the year then ended, as listed in the table of contents. These general purpose financial statements are the responsibility of the Town of Haverhill, management. Our responsibility is to express an opinion on these general purpose financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards, *Government Auditing Standards*, issued by the Comptroller General of the United States, and the provisions of Office of Management and Budget Circular A-128, "Audits of State and Local Governments". Those standards and OMB Circular A-128 require that we plan and perform the audit to obtain reasonable assurance about whether the general purpose financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the general purpose financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall general purpose financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As more fully described in Note 1, the general purpose financial statements referred to above do not include the financial statements of the General Fixed Asset Account Group which should be included to conform with generally accepted accounting principles. The amount that should be included in the General Fixed Asset Account Group is not known.

As described in Note 1, the Town has recognized tax revenues of \$100,019 in the General Fund and \$541,127 in the Property Tax Agency Fund which were not received in cash within sixty days of year end as is required by generally accepted accounting principles (GASB Interpretation 3). Town officials believe, and we concur, that the application of this accounting principle, which would result in a decrease in the General Fund balance to (\$427,720), would give a misleading impression of the Town's ability to meet its current and future obligations.

In our opinion, except for the effect on the financial statements of the omission described in the third paragraph, the general purpose financial statements referred to above present fairly in all material respects the financial position of the Town of Haverhill, New Hampshire as of December 31, 1990 and the results of operations and cash flows of its proprietary and similar trust fund types for the year then ended, in conformity with generally accepted accounting principles.

Our audit was made for the purpose of forming an opinion on the general purpose financial statements taken as a whole. The supplemental schedules listed in the table of contents are presented for purposes of additional analysis and are not a required part of the general purpose financial statements of the Town of Haverhill, New Hampshire. Such information has been subjected to the auditing procedures applied in the examination of the general purpose financial statements and, in our opinion, is fairly stated in all material respects in relation to the general purpose financial statements taken as a whole.

TOWN OF HAVERHILL, NEW HAMPSHIRE
NOTES TO GENERAL PURPOSE FINANCIAL STATEMENTS
December 31, 1990

NOTE 1--SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The accounting policies of the Town of Haverhill, New Hampshire conform to generally accepted accounting principles for local governmental units, except as indicated hereinafter. The following is a summary of significant accounting policies:

Financial Reporting Entity

The Town of Haverhill, New Hampshire (the "Town") was incorporated in 1763. The Town operates under a Town Meeting/Board of Selectmen form of government and performs local governmental functions authorized by State law.

The accompanying financial statements of the Town present the financial position of the various fund types and account groups, the results of operations of the various fund types, and the statement of changes in financial position of the non-expendable trust funds.

The financial statements include those of the various departments governed by the Board of Selectmen and other elected officials with financial responsibilities. The Town has no organizational units which meet criteria for inclusion in the financial statements as defined by the Governmental Accounting Standards Board.

Fund Accounting

The accounts of the Town are organized on the basis of funds or account groups, each of which is considered a separate accounting entity. The operations of each fund are accounted for with a separate set of self-balancing accounts that comprise its assets, liabilities, fund balance/retained earnings, revenues, and expenditures/expenses. The various funds are summarized by type in the financial statements. The following fund types and account groups are used by the Town:

Governmental Fund Types

Governmental Funds are those through which most governmental functions of the Town are financed. The acquisition, use and balances of the Town's expendable financial resources and the related liabilities are accounted for through governmental funds. The measurement focus is upon determination of changes in financial position, rather than upon net income determination. The following are the Town's governmental fund types.

General Fund - The General Fund is the general operating fund of the Town. It is used to account for all financial resources except those required to be accounted for in another fund.

Special Revenue Funds - Special Revenue Funds are used to account for specific restricted revenues and expenditures. Haverhill Cemetery Association, Mildred W. Page Fund and Community Development Block Grants are accounted for as Special Revenue Funds.

TOWN OF HAVERHILL, NEW HAMPSHIRE
NOTES TO GENERAL PURPOSE FINANCIAL STATEMENTS (CONTINUED)
December 31, 1990

NOTE 1—SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Fiduciary Funds - Fiduciary Funds are used to account for assets held by the Town in a trustee capacity or as an agent for individuals, private organizations, and other governmental units, and/or other funds.

Trust Funds - Trust Funds include expendable and non-expendable funds. Non-expendable funds are accounted for and reported as proprietary funds, since capital maintenance is critical. Expendable trust funds (Capital Reserve Funds) are recorded as governmental type funds.

Agency Funds - The Town collects taxes for Haverhill Cooperative School District, Grafton County, and Woodsville, Haverhill Corner, North Haverhill, and Mountain Lakes Precincts, which are remitted to them as required by law. These funds are accounted for as agency funds.

General Fixed Asset Account Group

The Town does not record the acquisition of fixed assets in the General Fixed Asset Account Group, as required by generally accepted accounting principles. Fixed assets acquired or constructed for general government services are recorded as expenditures in the fund making the expenditures. Funds used to acquire fixed assets and/or debt service payments on borrowings in connection therewith are accounted for as expenditures in the year payments are made.

Total Columns on Combined Financial Statements

Total columns for 1990 and 1989 on the combined statements are captioned "Memorandum Only" to indicate that they are presented only to facilitate financial analysis. Data in these columns do not present financial position, results of operations, or changes in financial position in conformity with generally accepted accounting principles.

Basis of Accounting

The modified accrual basis of accounting is followed by the governmental funds. Under the modified accrual basis of accounting, revenues are recorded when susceptible to accrual, i.e., both measurable and available. Available means collectible within the current period or soon enough thereafter to be used to pay liabilities of the current period. Expenditures, other than interest on long-term debt, are recorded when the liability is incurred, if measurable.

In applying the susceptible to accrual concept to intergovernmental revenues, the legal and contractual requirements of the numerous individual programs are used as guidance. There are, however, essentially two types of revenues. In one, monies must be expended on the specific purpose or project before any amounts will be paid to the Town, therefore, revenues are recognized based upon the expenditures recorded. In the other, monies are virtually unrestricted as to purpose of expenditure and are usually revocable only for failure to comply with prescribed compliance requirements. These resources are reflected as revenues at the time of receipt or earlier if the susceptible to accrual criteria are met.

TOWN OF HAVERHILL, NEW HAMPSHIRE
NOTES TO GENERAL PURPOSE FINANCIAL STATEMENTS (CONTINUED)
December 31, 1990

NOTE 1--SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Licenses and permits, charges for services, and miscellaneous revenues (except investment earnings) are recorded as revenues when received in cash because they are generally not measurable until actually received. Investment earnings are recorded as earned, since they are measurable and available. (See Note 2 for property tax accrual policy.)

The accrual basis of accounting is used by trust funds.

During the course of normal operations, the Town has numerous transactions between funds, including expenditures and transfers of resources to provide services, construct assets, and service debt. The accompanying governmental and fiduciary funds financial statements reflect such transactions as transfers.

Statement of Cash Flows

Cash for statement of cash flows purposes is demand deposits.

NOTE 2--PROPERTY TAXES

The Town's property taxes, due semi-annually on July 15th and December 15, 1990, are levied based on the assessed value as of the prior April 1st (\$96,254,100 as of April 1, 1990) for all taxable real property.

Taxes due after July 15th and December 15, 1990, accrue interest at 12% per annum. Current tax collections were 84% of the tax levy.

Under State law, the Town obtains priority tax liens on properties for which taxes remain unpaid within ten months of the year end for the amount of unpaid taxes, interest and costs. The lien accrues interest at 18% per year. If the priority lien is not satisfied within a two year period, the property is deemed to the Town. The Town recorded an allowance for estimated uncollectible taxes. The allowance at December 31, 1990 is \$4,023. The allowance consists of 100% of the taxes due on prior years resident, land use, and unredeemed taxes, and 50% of the current uncollected resident taxes.

The Town has accrued taxes of \$100,019 in the General Fund and \$541,127 in the Property Tax Fund, which do not meet the susceptible to accrual criteria of generally accepted accounting principles (GASB Interpretation 3). The net effect of not recognizing the taxes receivables would result in a reduction of General Fund balance from \$213,426 to (\$427,720). This would give the user of these financial statements a misleading impression of the Town's ability to meet its current and future obligations.

Under existing state laws, the Town will either receive full payment or acquire legal ownership of property in lieu of payment in 1993. Prior history indicates that a substantial portion of overdue taxes are paid before this date.

TOWN OF HAVERHILL, NEW HAMPSHIRE
NOTES TO GENERAL PURPOSE FINANCIAL STATEMENTS (CONTINUED)
December 31, 1990

NOTE 3--TAX DEEDED PROPERTY

The Town has acquired several tracts of land over the years for non-payment of real estate taxes through deeds issued by the Tax Collector. The Town does not record these assets acquired on its books.

The Town may either offer these properties to the original owner for the amount of unpaid taxes or auction them to the highest bidder.

NOTE 4--BUDGET

The budget represents departmental appropriations as authorized by annual or special Town meetings. The Selectmen may transfer funds between operating categories as they deem necessary. The Town adopts its budget under regulations of the New Hampshire Department of Revenue Administration which differ somewhat from generally accepted accounting principles. The budgets presented for reporting purposes have been reclassified to reflect generally accepted accounting principles as follows:

Total per Town meeting	\$1,223,460
Add (Deduct):	
Overlay	40,159
Timing Differences:	
Continued appropriations,	(53,574)
December 31, 1990	
Total Budget - GAAP Basis	<u><u>\$1,210,045</u></u>

The Town does not budget for expenditures of the Cemetery Association Fund and Mildred W. Page Fund. Budgets for the Community Development Block Grant Funds are adopted and maintained on the basis of grant conditions. Consequently, the accompanying general purpose financial statements present budget and actual data only for the General Fund.

NOTE 5--CASH AND INVESTMENTS

The Town's investment policy for Governmental Fund Types requires that deposits and investments be made in New Hampshire based financial institutions that are insured by the Federal Deposit Insurance Corporation or the Resolution Trust Corporation. The Town limits its deposits to money market investment accounts and certificates of deposit in accordance with New Hampshire State law (RSA 41:29). At year end, the carrying amount of the Town's deposits was \$883,332 and the bank balance was \$944,281. Of the bank balance, \$113,934 was covered by federal depository insurance and \$830,347 was uninsured and uncollateralized.

Investments outstanding at year end are owned entirely by the Trust Funds and are invested at the discretion of the Board of Trustees, who have employed professional banking assistance in accordance with New Hampshire state law (RSA 31:19). The investments consist of certificates of deposit and money market accounts with a book and a bank balance of \$82,282. The entire balance was covered by federal depository insurance. Other investments are classified

TOWN OF HAVERHILL, NEW HAMPSHIRE
NOTES TO GENERAL PURPOSE FINANCIAL STATEMENTS (CONTINUED)
 December 31, 1990

NOTE 5--CASH AND INVESTMENTS (CONTINUED)

by credit risk as uninsured and uncollateralized for which securities are held by the financial institution's trust department in the Town's name. At year end, the carrying amounts and market values are as follows:

<u>Investment</u>	<u>Carrying Amount</u>	<u>Market Value</u>
Money Market Investments	\$27,282	\$27,282
Certificates of Deposit	55,000	55,000
Governmental & Agencies Bonds	172,689	175,330
Corporate Obligations	50,197	50,623
Foreign Obligations	34,807	34,594
	<u>\$339,975</u>	<u>\$342,829</u>

NOTE 6--INTERFUND BALANCES

Individual fund interfund receivable and payable balances at December 31, 1990 are as follows:

<u>Fund</u>	<u>Interfund Receivables</u>	<u>Interfund Payables</u>
General Fund	\$86,992	\$972,749
Property Tax Fund	972,749	86,992
	<u>\$1,059,741</u>	<u>\$1,059,741</u>

NOTE 7--NON-EXPENDABLE TRUST FUNDS

The principal amounts of all non-expendable trust funds are restricted by law or specific terms of individual bequests, in that only income earned may be expended. Principal and income balances at December 31, 1990 are:

	<u>Principal</u>	<u>Income</u>	<u>Total</u>
Cemetery Funds	\$110,330	\$35,101	\$145,431
Grants and Awards	100,560	31,123	131,683
	<u>\$210,890</u>	<u>\$66,224</u>	<u>\$277,114</u>

NOTE 8--DESIGNATED FOR FUTURE YEARS' EXPENDITURES

Continuing Appropriations

Appropriations for certain projects and specific items not fully expended at year end are carried forward as continuing appropriations to the next year, in which they supplement the appropriations of that year. At year end, continuing appropriations are reported as a component of fund balance and are detailed as follows:

TOWN OF HAVERHILL, NEW HAMPSHIRE
NOTES TO GENERAL PURPOSE FINANCIAL STATEMENTS (CONTINUED)
December 31, 1990

NOTE 8--DESIGNATED FOR FUTURE YEARS' EXPENDITURES (CONTINUED)

General Fund:	
Brushwood Road	\$8,464
Lummoxville Road	40,498
Solid Waste/Recycling	3,612
Master Plan	1,000
	<u>\$53,574</u>

NOTE 9--EXPENDABLE TRUST FUNDS

Designated fund balances at December 31, 1990 are as follows:

<u>Expendable Trust Funds:</u>	
Capital Reserve:	
Haverhill Cooperative School District	\$2,745
Town of Haverhill	60,606
	<u>\$63,351</u>

Principal and income of expendable trust funds may only be expended for their restricted purposes, and must be paid over to the District and Town upon request.

NOTE 10--MILDRED W. PAGE SPECIAL REVENUE FUND

The Town receives a portion of the trust net income from the Mildred W. Page Estate Trust which is designated by the trust instrument to be used for maintenance and improvement of public buildings within the precinct of Haverhill Corners. Disbursement of the funds is authorized by the Board of Selectmen.

NOTE 11--COST SHARING MULTI-EMPLOYER PUBLIC EMPLOYEE PENSION PLAN

Permanent members of the police department and Town employees participate in the New Hampshire Retirement system. Under state law, both employees and the Town contribute to the plan, which provides retirement, disability, and death benefits. Employees are eligible for normal retirement upon attaining age sixty and early retirement after reaching age fifty-five, provided they have accumulated ten years of creditable service. Covered wages under the plan were \$167,934, 51% of the total wages paid to all employees of \$326,895. Employee contributions were \$12,633, 9.3% of police department covered wages and 5% of other Town employee covered wages. The Town's contributions were \$8,082, 2.48% of police department covered wages through June, 1990 and 2.20% thereafter, and 6.23% of Town employee covered wages through June, 1990 and 6.82% thereafter. As of December 31, 1990, the unfunded accrued liability is not material. Actuarially determined vested and non-vested benefits have not been calculated for the plan. Additional disclosures as required by generally accepted accounting principles are not available.

TOWN OF HAVERHILL, NEW HAMPSHIRE
NOTES TO GENERAL PURPOSE FINANCIAL STATEMENTS (CONTINUED)
December 31, 1990

NOTE 12--SICK LEAVE

Employees may accumulate up to 30 days of sick leave, but are not entitled to a lump sum cash payment. The Town does not record the cost of sick leave when earned, however, the estimated cost for replacement of sick employees is included in the departmental budget. The estimated value of accumulated sick leave at December 31, 1990 is not determinable.

NOTE 13--COMMUNITY DEVELOPMENT BLOCK GRANT

During 1987, the Town applied for and received a Community Development Block Grant in the amount of \$300,000 for the purpose of housing rehabilitation for targeted areas of Woodsville for a period of eighteen months. As of December 31, 1990, the Town had drawn down \$298,500 of the grant amount and expended \$297,833 for grant expenses.

During 1989, the Town applied for and received a Community Development Block Grant in the amount of \$350,000 for targeted areas of Woodsville for a period of two years. As of December 31, 1990 the Town had drawn down \$232,816 of the grant amount and expended \$206,992 for grant expenses.

During 1990, the Town applied for and received a Community Development Block Grant in the amount of \$350,000 for the purposes of acquiring and rehabilitating a facility to house the Haverhill Community Day Care Center. As of December 31, 1990, the Town had drawn down \$92,717 of the grant amount and expended \$92,550 for grant expenses.

During 1990, the Town applied for and received a Community Development Block Grant in the amount of \$10,000 to conduct a Haverhill Day Care feasibility study. As of December 31, 1990, the Town had drawn down and expended \$5,410.

NOTE 14--COMMITMENTS AND CONTINGENCIES

Litigation

Town officials estimate that any potential claims against the Town which are not covered by insurance are immaterial and would not affect the financial position of the Town.

Other Contingencies

The Town participates in federally assisted grant programs. These programs are subject to financial and compliance audits by the grantors or their representatives. The amount, if any, of expenditures which may be disallowed by the granting agencies cannot be determined at this time, although the Town expects amounts, if any to be immaterial.

INDEPENDENT AUDITOR'S REPORT ON SCHEDULE OF FEDERAL FINANCIAL ASSISTANCE

To the Board of Selectmen
Haverhill, New Hampshire

We have audited the general purpose financial statements of the Town of Haverhill, New Hampshire for the year ended December 31, 1990, and have issued our report thereon dated May 15, 1991. These general purpose financial statements are the responsibility of the Town of Haverhill, New Hampshire management. Our responsibility is to express an opinion on these general purpose financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards and Governmental Auditing Standards, issued by the Comptroller General of the United States and the provisions of Office of Management Budget Circular A-128, "Audits of State and Local Governments". Those standards and OMB Circular A-128 require that we plan and perform the audit to obtain reasonable assurance about whether the general purpose financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the general purpose financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

Our audit was made for the purpose of forming an opinion on the general purpose financial statements of the Town of Haverhill, New Hampshire taken as a whole. The accompanying schedule of federal financial assistance is presented for the purpose of additional analysis and is not a required part of the general purpose financial statements. The information in that schedule has been subjected to the auditing procedures applied in the audit of the general purpose financial statements and, in our opinion, is fairly stated in all material respects in relation to the general purpose financial statements taken as a whole.

TOWN OF HAVERHILL, NEW HAMPSHIRE
NOTES TO SCHEDULE OF FEDERAL FINANCIAL ASSISTANCE
December 31, 1990

NOTE 1--GENERAL

The accompanying Schedule of Federal Financial Assistance presents the activity of all federal financial assistance programs of the Town of Haverhill, New Hampshire (the "Town"). The Town's reporting entity is defined in Note 1 to the Town's general purpose financial statements. All federal financial assistance was passed through State of New Hampshire agencies and is included on the schedule.

NOTE 2--BASIS OF ACCOUNTING

The accompanying Schedule of Federal Financial Assistance is presented using the modified accrual basis of accounting, which is described in Note 1 to the Town's general purpose financial statements.

NOTE 3--RELATIONSHIP TO GENERAL PURPOSE FINANCIAL STATEMENTS

Federal financial assistance revenues are reported in the Town's general purpose financial statements as intergovernmental revenues of the Community Development Block Grant Special Revenue Fund.

An early view of Smith Street in Woodsville.

ANNUAL REPORT OF THE HAVERHILL POLICE DEPARTMENT

1991 Was not a banner year for our local or national economy. We have seen so many people out of work, new and old businesses failing, while many others are just hanging on. As we face another presidential election, we cling to hope that our nation will recover from this frightful recession that threatens to destroy it.

While 1991 was not a good year for the economy, it was a relatively good year for Haverhill Police Department. We have begun to see results from our theory of the "Community Oriented Law Enforcement". We have seen a reduction in nearly all reported crimes. After an alarming increase in the Burglary rate over the past few years, 1988-51, 1989-122 and 1990-68 we see a decrease in 1991 to 23. This decrease is impressive when nearly all of the surrounding communities saw sharp increases. Our reported thefts decreased from 157 in 1990 to 45 in 1991 an occurrence that was unique to Haverhill. I credit this to our steady progress in rebuilding the Haverhill Police Department and to the quality of the officers that we are privileged to have and our successful law enforcement practices.

We have seen a decrease in juvenile crimes over the past few years and I contribute this to our in-school programs which has put our officers on a first name basis with our children. The D.A.R.E. program completed it's first successful year in our schools. This program has proven a great success, under the direction of Patrolman, Barry MacDonald. This program has been so successful that

it is totally funded by donations, and is being operated at no cost to the taxpayers of Haverhill. Officer MacDonald will this year be presenting the program in the Piermont and Warren, N.H. schools. Those programs will also be totally funded by donations which will include reimbursement for his salary while presenting the programs. It is my belief that by presenting the D.A.R.E. program to our surrounding community it will have a marked effect on our own community. Our only hope for the future is our children, so by reaching the children of our surrounding communities, we will make Haverhill a nicer and safer place to live. If one child's life is helped by this program, it is worth the sacrifices made!

In the year ahead my goal is to gain as much training for the officers of this department as time and money will allow. This will assure the continued progress toward developing the Haverhill Police Department into the progressive department that is needed today to reduce the liability that is ever present in law enforcement. Effective and professional police officers are not developed over night, but instead, by years of training, guidance and experience. Bearing this in mind I request that you support YOUR POLICE DEPARTMENT and it's need to ensure that we retain the high quality personnel that we presently have.

While on the topic of needs, I would like to bring to your attention the need for more useable space for the police department. At present we are jammed into two rooms which has seriously hampered our ability to efficiently do our jobs. We are unable to separate ourselves from the interruption of every business at the department without being away from our files, phone and computer stations. I would ask that serious considerations be given to a solution to this problem in the near future.

I would also like to make you, the tax payer, aware of some of the items that we have purchased or obtained by donations to save you tax dollars. We have purchased three computers, three portable radios, clothing for officers, radar and training expenses, to name a few items. My officers give hundreds of hours of their time to assist their fellow officers, follow up on investigations, and complete paperwork. I inform you of this only to encourage your support for your police department in the year ahead. It has been a pleasure to serve you and I look forward to

another successful year. Your continued support and your cooperation in the year ahead will be greatly appreciated. Thank you for your support and assistance in making Haverhill a better place to live.

DEAN MEMORIAL AIRPORT

With the economic slow down of the country, the Airport activity has slowed a bit. There were fewer aircraft tied down there and fewer take-off-landings recorded. The Post Mills Soaring Club visited one weekend, bringing four gliders and a tow plane to soar over and around the mountains. The local radio controlled modelers club was a welcomed site to see, demonstrating their skills in building and flying their aircraft.

Repairs and maintenance was this years focus. A number of volunteers cut and cleared brush that was creating a safety hazard on the North runway with the same plans for the South and as soon as possible. A runway drainage project and a landscaping project were implemented, utilizing a 50/50 Grant from the State, with enough left over to help resurface the runway this coming year. The rental house water supply was connected to the precinct system, eliminating the need to pump water from the well at the school site.

Roland, again did an excellent job this year, keeping the grounds neat and trim, with the aircraft tie down fees now being implemented to compensate him.

The Airport is always open, come watch and learn.

Respectfully submitted,

James Fortier, Manager

HIGHWAY DEPARTMENT REPORT

This year I have been asked to submit a brief report summarizing the Highway Department's activity during the past year.

Chip seal work continued in 1991, doing portions of Briar Hill Road and Brushwood Road. Also for 1991, upgrading Ladd Street with drainage, gravel, recycled asphalt and chip sealing. Recycled asphalt was also applied to 3200 feet of Brushwood, which will be chip sealed in 1992.

Extensive drainage work was done on Ridge Drive to stop flooding basements and the severe bank erosion. Completion of this project should be in the spring with lawn repairs.

A lot of drainage work and graveling was done on numerous roads, as well as widening of roads and installation of stabilization fabric. Over 4000 cubic yards of crushed gravel was put down.

Grading and graveling was put on hold for eight weeks while parts for the town grader were being located.

Temporary repairs were made to the Jeffers Hill Bridge in the fall, but major work still needs to be done. There is a warrant article for extensive repairs to the Jeffers Hill Bridge. If funded, it is anticipated that the work on this project will take approximately four days.

A roadside mowing program was started in 1990 and continued in 1991. This has truly helped all roads in town and we plan to continue with the program in 1992.

Brushwood Road reconstruction continued in 1991, with installation of new culverts, removing the tar and placement of crushed gravel. More crushed gravel and asphalt surfacing will complete this project, hopefully by 1994 if the funding continues.

There was also, of course, routine maintenance work in 1991, which included plowing, sanding, brush cutting, thawing culverts and equipment maintenance. The list goes on and on, but this is to be a short report.

For 1992 we anticipate chip sealing 3200 feet on Brushwood Road from the Brushwood Road four corners to Rte. 116 and shimming on French Pond Road, as well as applying gravel and calcium chloride to Brushwood Road.

In closing, I would like to thank all in the Town of Haverhill for their support.

A. James Boucher, Road Agent

REPORT OF THE JAMES R. MORRILL STUDY COMMITTEE

The James R. Morrill and Haverhill Academy buildings will no longer be used as schools at the close of the 1991-92 academic year. Volunteer committees met to formulate recommendations to the School District for the future of these buildings.

The James R. Morrill Study Committee makes the following recommendations:

I. To the School Board:

- A. The Morrill School property should stay in public ownership.
- B. The best use for the building is for municipal offices, community services and recreation.
- C. The property should be conveyed to the Town at minimal cost.

II. To the Town:

- A. Develop a plan for the best utilization of the building.
- B. Purchase the adjoining 6.02 acre VFW field. A price is to be established by the VFW for consideration at Town Meeting.

The site location of the school building on Route 10 in North Haverhill makes it particularly desirable for public use in the long term. It is centrally located and easily accessible. The 2.5 acre site is adequate for present needs for parking and/or changes to the existing structure. The addition of the VFW field is good insurance for the future.

If the town offices move, the Haverhill District Court and the School Supervisory Union offices will remain in the old court house for the present time until the ultimate disposition of that building is determined.

GRAFTON COUNTY COMMISSIONERS' 1991 REPORT TO TOWNS

In a continuing effort to communicate more directly with Grafton County citizens, we take great pleasure in submitting the following report for your information.

During the past year, the County Nursing Home has continued to provide excellent care for approximately 120 elderly and infirm residents while complying with the increased demands of new federal regulations. In November we opened a unit designed to meet the needs of patients with Alzheimer's disease and similar afflictions, which has been very well received by residents, families, and staff.

Inmates in the House of Corrections have benefited from the Thresholds/Decision-making program, taught by volunteers who help their clients prepare for more productive lives in jail and on the outside. A grant from the Attorney General's Office has also provided us with a substance abuse counselor for the jail.

New projects were also initiated at the County Farm. The piggyery was reinstituted (20 piglets were born to 3 sows in October), and a lilac nursery was added through the State Lilac Commission (lilacs will be ready for distribution to public agencies in the spring). The farm also planted extra potatoes for contribution to local food pantries throughout the county, a project we plan to continue in future years.

Since September the Commissioners have worked with the Sheriff, Assistant Sheriff and members of the County Legislative Delegation to review the County Dispatch Center and revise the fees charged for telephone answering and radio dispatching services. Discounts were eliminated for 1992 and fees based on actual use are planned beginning in 1993. Copies of the Study Committee's report are available at the Commissioners' Office.

For the second year in a row we were able to reduce county taxes while maintaining necessary county services. The Commissioners intend to continue to hold the line on expenses, but do expect a modest tax increase next year due to the elimination of surpluses generated by unanticipated increases in nursing home revenues.

This past year the County distributed over \$78,000 in state Incentive Funds to local agencies to prevent out-of-home placements of troubled children and youth. The County also provides a Youth and Family Mediation Program available free of charge in the Lebanon, Littleton, and Plymouth areas.

The Board of Commissioners has made great strides in expanding efforts to inform our constituents about county government. Tours of county facilities, a mock trial for school children, and an open house took place during County Government Week in April, and plans are underway for an even broader program for the coming year (April 5-11). We held a special information session for local officials in September, have spoken to school and civic groups, and developed a slide presentation to show people what the county does.

In closing, we wish to express our sincere appreciation to local officials and agencies and the citizens for continued interest and cooperation in our efforts to serve you. The public is invited to attend our regular meetings at 9:15 a.m. on Thursdays at the County Administration Building in North Haverhill. The Commissioners also welcome the opportunity to speak or show our slides to students and civic groups. Please call our office at 787-6941 for further information or to request a speaker.

Respectfully submitted,

Betty Jo Taffe, Chairman, District #3 (603) 786-9836
Gerard J. Zeiller, Vice Chairman, District #1 (603) 448-1909
Raymond S. Burton, Clerk, District #2 (603) 747-3662

Family Day at the Grafton County home always brings many people out to see their friends at the complex, on Route 10 in North Haverhill.

NORTH COUNTRY COUNCIL ANNUAL REPORT

North Country Council is the Regional Planning Commission for 51 towns in northern New Hampshire. It was established almost 20 years ago by the legislature to respond to communities' needs for local and regional planning and development programs. As a membership organization, the Council is supported by local community dues which are used to match state and federal funding sources.

Assistance available to member towns included municipal planning, regional planning, transportation planning, business and industrial planning/development, landscape architecture, solid waste planning, resource management, GIS mapping and public education. The Council provides this professional assistance to Planning Boards, Boards of Selectmen, Zoning Boards of Adjustment, Conservation Commissions, Non-Profit Community Organizations, Chambers of Commerce, Educational Institutions and Social Service Organizations and Agencies in our member towns.

In Haverhill, the Council provided technical assistance on solid waste activities. The Council also provided assistance on a number of Community Development Block Grant projects including housing rehabilitation and the local day care center. In addition to community development assistance, the Council provided technical assistance to the Town on administration of the National Flood Insurance Program. In the area of economic development, the Council offered strategic planning assistance to the Haverhill Economic Development Committee. That assistance will continue into 1992 and will culminate in the writing of an economic development plan for Haverhill. The plan is being provided at no cost to the Town as part of Council's 1991-1992 Economic Development Administration funded work plan. NCC staff made the final amendments to the Ammonoosuc Solid Waste Management Plan.

Throughout 1991 North Country Council continued its commitment to local and regional planning assistance. The year also saw the Council rededicate its economic development program to address the worsening North Country economy, its solid waste program to aggressively reduce the volume of solid waste generated in the region, and its land use program to address the problems confronting the Northern Forest.

In the ensuing year the Council will continue its present course and work program with an intense commitment to local technical assistance, development of local leadership and ability, and the provision of membership services to support community and regional needs.

Persons interested in regional issues as discussed in this report are urged to contact their selectmen for appointment as Council representatives or committee members.

This has been a year of clearly "holding the line". There have been increasing demands on our services; yet, we are unable to expand to address these needs. We have developed waiting lists, looked at alternative ways of providing service, and increased our aggressive pursuit of billing.

Mental Health Services

We operate one full-time and three part-time offices. The full-time office is located in Littleton at 16 Maple Street. The part-time offices are located in Woodsville at White Mountain Mental Health and Developmental Services - Woodsville, at the junction of Route 10 and Swiftwater Road; in Lincoln at the Lin-Wood Medical Center; and in Lancaster at Weeks Memorial Hospital.

Last year, we provided over 8,000 hours of service.

- . 891 emergency visits.
- . Our Partial Hospitalization Program is full with the opening of our group home.
- . Vocational training and transitional services are also available despite the economy.

We offer a comprehensive array of services including: 24-hour emergency, drug and alcohol, case management, inpatient, and partial hospitalization.

Developmental Services

- . Early Intervention. Home-based service for 0-3 year old children who are delayed in their development. Services include: screening, assessment, treatment, and referral. We continue to provide clinics throughout our region to increase our ability to serve more children. Annually, we average service to sixty families.
- . Habilitation Services. Provides instruction to our most severely impaired adult population. The program works in conjunction with their residential programming as well as providing training and instruction in self care skills, pre-vocational skills, paid work, and other therapeutic services such as speech therapy and physical therapy. This program has been primarily used by former Laconia State School residents; however, we have had community clients who have been referred by the local school systems. Last year, we served twenty-one (21) clients in two locations (Littleton and Woodsville).
- . Supported Employment. Provides training, instruction, and work adjustment for mentally ill and mentally retarded individuals. Paid work opportunities for the individuals can take place either in the community or in the workshop itself. Last year, we operated twelve job sites directly in the community. We have also completed over twenty individual job placements.

We are grateful for your past support of our programs and look forward to continuing to serve in the future.

Respectfully submitted,

Dennia C. MacKay
Area Director

NORTH COUNTRY HOME HEALTH AGENCY, INC.
1991 ANNUAL REPORT

The North Country Home Health Agency, Inc., is a not-for profit community service agency providing home care and health promotion services to residents of twenty-one North Country communities. 1991 marked the Agency's twentieth year of existence and another year of quality service provision and growth. In 1991 Agency personnel provided 15,781 home care visits while caring for 536 clients. This represents a 21% increase in home care visits over 1990 and a 49% increase since 1989. Many factors have contributed to the need for the increased use of home health care programs. As a matter of cost containment inpatient lengths of stay have decreased. This has meant that clients are returning home in need of more frequent and more intensive home care. Our elderly population is growing and many of these elderly need assistance and supervision to remain safely at home.

During 1991, the Agency also provided over 50 community health clinics. More than 1200 individuals took advantage of the services provided such as influenza immunization and health screenings.

The Agency continues to work to attract State and Federal funding for local programs and services in order to meet the increasing demand. In 1991 \$283,000 in such funding was used to provide direct home care services to residents in the North Country. In the Town of Haverhill services provided were as follows:

935	Nursing Visits
1730	Home Health Aide Visits
692	Homemaker Visits
471	Physical Therapy Visits
12	Occupational Therapy Visits
82	Speech Therapy Visits
41	Volunteer Social Service Visits
84	Parent Aide Visits
4943	Adult-In-Home Care Hours

We wish to express our sincere appreciation to the members of the community, clients, their families and our staff for their participation in Agency programs and look forward to serving you in the future.

Respectfully submitted,

Mary E. Presby
Executive Director

GRAFTON COUNTY SENIOR CITIZENS COUNCIL, INC.
 STATISTICS FOR THE TOWN OF HAVERHILL
 OCTOBER 1, 1990 TO SEPTEMBER 30, 1992

During this fiscal year, GCSCC served 342 Haverhill residents (out of 972 residents over 60, 1990 Census).

RETIRED SENIOR VOLUNTEER PROGRAM HOME PATROL

The Retired Senior Volunteer Program's Home Patrol works under the guidance of the Haverhill Police Chief. Volunteers travel in pairs and regularly cover routes designed to include unoccupied homes whose owners have requested that their home be checked. The volunteers observe closely for signs of vandalism, illegal entry or any other unusual activity and report directly to Police by radio.

RSVP Volunteers donate their time and RSVP insures them, but travel expenses must be funded from other sources. RSVP relies on local contributions to provide this funding. Resident groups, Lions and Rotary Clubs and individuals contribute to the Home Patrol.

In its first full year of operation (1988) the Home Patrol covered over 4000 miles in the course of ninety-one patrols involving sixteen volunteers with a budget of just over \$800.00. Most of this came from local contributions.

Your help is needed to continue these services. RSVP is sponsored locally by Grafton County Senior Citizens Council and is a part of the national volunteer agency ACTION. It is also a United Way agency.

WARRANT

ANNUAL MEETING OF THE NORTH HAVERHILL WATER & LIGHT DISTRICT

To the Inhabitants of the North Haverhill Water & Lighting District in the Town of Haverhill, NH, Qualified to vote in District Affairs. You are hereby notified to meet at the North Haverhill Fire Station on Thursday, March 12, 1992, at 7:30 in the evening to act on the following articles:

ARTICLE 1. To choose a Moderator for the ensuing year.

ARTICLE 2. To choose a Clerk for the ensuing year.

ARTICLE 3. To choose a Treasurer for the ensuing year.

ARTICLE 4. To choose a Commissioner for a period of three (3) years.

ARTICLE 5. To choose an Auditor for the ensuing year.

ARTICLE 6. To hear the reports of the officers heretofor chosen and to pass any vote relating thereto.

ARTICLE 7. To raise and appropriate such sums of money as may be deemed necessary for the Fire Department, and Street Lights, and Sidewalks of the District.

ARTICLE 8. To see if the District will vote to authorize the Commissioners to borrow money to provide for the current expenses, or for emergency until taxes are collected, and give notes for same.

ARTICLE 9. To see if the District will vote to authorize the Commissioners to seek and accept any Grants or Funds available for planned water works and improvements.

ARTICLE 10. To see if the District will vote to authorize the Commissioners to place surplus money, if same exists, into Capital Reserve Accounts.

ARTICLE 11. To see if the District will vote to increase the Rates Charged for Water and set the following per quarter Rates:
Residential Unit, \$27.50; Small Business within a Home \$13.75; Small Business \$45.00; Intermediate Business \$64.00; Large Business \$200.00; Small Farm \$100.00; Intermediate Farm \$125.00; Metered Water \$15.00 base, plus \$1.50 per 1000 gallons for all water used over and above a base of 3000 gallons.

ARTICLE 12. To transact any other business to properly come before this meeting.

MINUTES OF ANNUAL MEETING OF THE NORTH HAVERHILL WATER & LIGHT DISTRICT HELD MARCH 14, 1991.

The meeting was called to order at 7:30 PM by Moderator Richard Kinder, and he read the Warrant for said meeting.

ARTICLE 1. To choose a Moderator for the ensuing year.

Richard Kinder was nominated by Everett Sawyer and seconded by Carl Dellinger. There were no further nominations and Richard Kinder was elected.

ARTICLE 2. To choose a Clerk for the ensuing year.

Robert Rutherford was nominated by Carl Dellinger and seconded by Everett Sawyer. There were no further nominations and Robert Rutherford was elected.

ARTICLE 3. To choose a Treasurer for the ensuing year.

John Aldrich was nominated by Howard Hatch and seconded by James Boucher. There were no further nominations and John Aldrich was elected.

ARTICLE 4. To choose a Commissioner for a period of three (3) years.

Richard Patten was nominated by Ronald Aldrich and seconded by Carl Dellinger. There were no further nominations and Richard Patten was elected.

ARTICLE 5. To choose an Auditor for the ensuing year.

Roger Wells was nominated by Everett Sawyer and seconded by Ronald Aldrich. There were no further nominations and Roger Wells was elected.

ARTICLE 6. To hear the reports of the officers heretofore chosen and to pass any vote relating thereto.

Roger Wells gave his Auditors report for the past year, stating that the books were found to be in proper order and he was pleased to see that the delinquent accounts were much smaller than in the past.

Frank Stiegler moved that the reports be accepted as given and printed in the Town report. The motion was seconded by Everett Sawyer and was passed.

ARTICLE 7. To raise and appropriate such sums of money as may be deemed necessary for the Fire Department, and Street Lights, and Sidewalks of the District.

Howard Hatch moved that the District raise and appropriate a sum of seventy thousand two hundred fifty dollars [\$70,250.00], with seven thousand eight hundred fifty dollars [\$7,850.00] to be raised by taxes. This was seconded by Ronald Aldrich. After a brief discussion the motion was passed.

ARTICLE 8. To see if the District will vote to authorize the Commissioners to borrow money to provide for the current expenses, or for emergency until taxes are collected, and give notes for same.

Carl Dellinger moved that the Commissioners be so authorized. The motion was seconded by James Boucher, and passed by voice vote.

ARTICLE 9. To see if the District will vote to authorize the Commissioners to seek and accept any Grants or Funds available for planned water works and improvements.

Everett Sawyer moved that the Commissioners be so authorized. This was seconded by Larry Fournier, and passed by voice vote.

ARTICLE 10. To see if the District will vote to authorize the Commissioners to place surplus money, if same exists, into Capital Reserve Accounts.

Carl Dellinger moved that the Commissioners be so authorized. The motion was seconded by James Boucher, and was passed by voice vote.

ARTICLE 11. To transact any other business to properly come before this meeting.

Larry Norcross asked if it would be possible for the District to get new signs put up at the ends of the District. Van Anderson stated that she believed that the signs had originally been furnished and put up by the Girls Club. There was some discussion about having the existing signs repaired and how much could be done within the current budget.

There was also a question asked about having the District place street signs on those streets that do not have them. A motion was made, seconded, and passed, to have the Commissioners look into the sign situation and report back to the District at the next annual meeting.

Frank Stiegler made a motion to have the District authorize the Fire Department to sell the old Diamond fire truck with the money received from the sale to be placed in the operating budget, and to be used for planned work on the Fire Station. The motion was seconded by Larry Fournier. There was a brief discussion, at which time Frank stated that the value of this truck was around \$2,000.00 to \$3,000.00. The motion was then passed.

Fire Chief Frank Stiegler made a motion to have the District dedicate the new fire truck to former Fire Chief Norm Demers. This was seconded by Larry Fournier, and the motion was passed. At this time Chief Stiegler presented the dedication plate purchased by the Fire Department members and listed some of the services Norm had performed for the District, long time fire department member, Assistant Fire Chief, Fire Chief, Forest Fire Warden, and past District Commissioner. The new truck was thus dedicated and Chief Stiegler will take care of having the plate mounted.

Carl Dellinger then made a motion to adjourn the meeting. This was seconded by Larry Fournier, and the meeting was adjourned at 8:00 PM.

Respectfully Submitted,

Robert J. Rutherford
District Clerk

PRECINCT OF HAVERHILL CORNER
1992 WARRANT FOR ANNUAL MEETING

TO THE INHABITANTS OF THE PRECINCT OF HAVERHILL CORNER, IN SAID HAVERHILL, WHO ARE QUALIFIED TO VOTE IN PRECINCT AFFAIRS:

YOU ARE HEREBY NOTIFIED TO MEET IN THE CHAPEL, IN SAID PRECINCT, ON WEDNESDAY MARCH 18, 1992 AT 7:30 O'CLOCK IN THE EVENING TO ACT UPON THE FOLLOWING ARTICLES:

ARTICLE 1 To elect a Moderator for the term of one year.

ARTICLE 2 To elect a Clerk for the term of one year.

ARTICLE 3 To hear and accept the reports of the Treasurer, other agents and the minutes as printed in the Town Report.

ARTICLE 4 To elect one Precinct Commissioner for the term of three years.

ARTICLE 5 To elect a Treasurer for the term of one year.

ARTICLE 6 To elect an Auditor for the term of one year.

ARTICLE 7 To see if the Precinct will vote to authorize the Precinct Commissioners to borrow money to provide for current expenses, or for emergencies until the taxes are collected and to give for same.

ARTICLE 8 To see if the Precinct will raise the water rates \$10.00 per quarter for each hook up for one year to build up the Capital Reserve Account.

ARTICLE 9 To see if the Precinct will raise \$1,200.00 to landscape the North Common.

ARTICLE 10 To raise such sums of money for the ensuing year as printed in the budget.

ARTICLE 11 To transact any other business proper to come before this meeting.

MINUTES OF THE 1991 ANNUAL MEETING
PRECINCT OF HAVERHILL CORNER

The 1991 Annual Meeting of the Precinct of Haverhill Corner was held Wednesday, April 17, 1991 at 7:30 P.M. at the Parish House in Haverhill, New Hampshire. Victor Smith, moderator, called the meeting to order. Jim Brown and Walter Morris, being Precinct Commissioners, were present. Mr. Smith read the posted warrant for 1991. He announced that those voting on the articles on the warrant be registered voters on the town list and residents of the Precinct of Haverhill Corner.

ARTICLE I The moderator announced that the election of a moderator for the coming year was in order. Helen Smith nominated Karl Bruckner, seconded by Linda Smith. Earl Aremburg nominated Victor Smith, seconded by Harvey Keyes. With no further nominations, Jonathan Rutstein moved that the nominations be closed. Seconded by Harvey Keyes. The moderator ordered a ballot vote. On this ballot Karl Bruckner received 21 votes, Victor Smith 22 votes, and one ballot was invalid. It was moved by Leigh McCaffrey and seconded by Norma Lavoie that a second ballot vote be taken. On this ballot vote Karl Bruckner received 23 votes and Victor Smith 23 votes. The moderator ordered a third ballot vote. Karl Bruckner received 22 votes and Victor Smith 24 votes. Victor Smith declared himself moderator for the coming year.

ARTICLE II Mimi Emory was nominated by Fran Rutstein for Clerk for the coming year. This was seconded by Vesta Smith. No other nominations for clerk, Harvey Keyes moved that nominations be closed and that the moderator cast one ballot for Mimi Emory. This was seconded by Jonathan Rutstein. Mimi Emory was declared the clerk by the moderator. Helen Smith swore in the moderator and clerk.

ARTICLE III Carl Elsner moved the article to hear Precinct reports. This was seconded by Earl Aremburg. There was considerable discussion of the need for the commissioners and the treasurer to keep the accounts separate for the Precinct and the water department; and concerning what constitutes "emergency expenditures". Alan Willey addressed the Precinct budget in general explaining pertinent points on the expenditures and revenue. Norma Lavoie gave further explanation on this subject. It was moved by Karl Bruckner to accept the reports of the treasurer, other agents and the minutes as printed in the town report. This was seconded by Bill Foster. A vote in the affirmative.

ARTICLE IV The moderator called for nominations for a Precinct commissioner for the term of three (3) years. Earl Aremburg nominated Bill Keyes, seconded by Carl Elsner. Bill Koch was nominated by Greta Morris and seconded by Vesta Smith. There being no further nominations, Karl Bruckner moved the nominations be closed, seconded by Bill Foster. A ballot vote was taken. Bill Keyes received 15 votes, Bill Koch 30 votes. 1 invalid vote. The moderator declared Bill Koch elected as a Precinct commissioner for a term of 3 years.

ARTICLE V Nominations for Treasurer were opened. Alan Willey was nominated by Karl Bruckner and seconded by Bill Foster. Karl Bruckner moved that the nominations be closed and the clerk cast one ballot for Alan Willey. Seconded by Vesta Smith. A vote in the affirmative.

ARTICLE VI Karl Bruckner nominated Jim Barber for Auditor for one (1) year, seconded by Dave Devine. It was moved by Harvey Keyes and seconded by Vesta Smith that nominations be closed and one ballot be cast for Jim Barber. Elected officers were sworn in by Helen Smith.

ARTICLE VII Karl Bruckner moved the Precinct commissions be authorized to borrow money to provide for current expenses or for emergencies, until the taxes are collected and to give note for same. Seconded by Bill Foster. There was some discussion on this subject. A vote in the affirmative.

ARTICLE VIII Jim Brown moved and seconded by Karl Bruckner that the Precinct raise and appropriate a sum not to exceed \$145,000.00 for the purchase of a new first line pumper for the Precinct, all as per the warrant article. Mike Lavoie, Fire Chief, reviewed the highlights of this article and described the specifications for a new truck. The moderator announced there would be a ballot vote requiring 2/3 majority for passage; however, as the bond issue required is under \$100,000, the polls would be open only until those present had voted. There were 46 votes cast, so 31 yes votes were required for passage. The results were 35 yes ballots and 11 no ballots. A vote in the affirmative to purchase a new pumper.

ARTICLE IX It was moved by Jim Brown and seconded by Mike Lavoie for the Precinct to appropriate the sum not to exceed \$15,000 for paving of the Fire Department's parking lot and drive way to Route #10. Mike Lavoie addressed this Article, giving reasons for this paving as well as details on the preparation work. He also announced a generous donation from Walter Young of \$5,000. to help defray the cost of paving. Karl Bruckner moved an amendment, seconded by Vesta Smith, to read that the appropriated sum of \$15,000. be reduced by \$5,000. to \$10,000. A vote in the affirmative on the amendment. A ballot vote was requested by Homer May and was taken on the motion with a majority in favor for passage. This vote was 38 yes and 7 no. The motion as amended was declared by the moderator to have passed.

ARTICLE X Jim Brown moved and Vesta Smith seconded the precinct to appropriate the sum of \$5,850. for tree maintenance on the Commons. Jim Brown reviewed the Bartlett Tree proposal and briefly commented on the order of importance for fertilization, cabling and pruning of the trees on the Commons. It was pointed out that there were options to the Precinct to select just one care program per Common per year and that the entire sum of \$5,850. did not

necessarily need to be spent in one year. Carl Elsner commented on the condition of the trees, stating that he had surveyed the situation with J & M Landscaping. Mr. Elsner suggested that the Precinct take responsibility for maintenance of the trees on the Commons using a program laid out by Mary Musty of J & M landscaping at the cost of \$525.00 for this year of limited fertilizing and mulching around trees with the planting of two new trees. Karl Bruckner moved to amend the motion, seconded by Jonathan Rutstein, to state the commissioners be directed to use any available unexpended funds of the Precinct up to \$525.00 to accomplish the tree care on the Commons according to J & M's program. It was a voice vote in the affirmative.

ARTICLE XI It was moved by Jim Brown and seconded by Earl Arenburg that the Precinct vote to raise and appropriate a sum not to exceed \$15,000 to attach the new well to the water system and to update the water system; furthermore to authorize the withdrawal of \$15,000. from the water department capital reserve fund created for this purpose. Jim Brown gave a report on the new well and answered questions concerning the availability of more water for the Precinct. Alan Willey made a motion, seconded by Bill Foster, that the motion be amended to remove the words "raise and" in view of the fact that the funds were all to be provided from the water department capital reserve. The amendment and the motion were both passed by voice vote.

ARTICLE XII A motion was made by Karl Bruckner and seconded by Vesta Smith for the Precinct to appropriate \$69,966.44 and to raise by taxation \$23,732.24 for the ensuing year as printed in the budget. A voice vote in the affirmative.

ARTICLE XIII Earl Arenburg expressed the thanks of the Precinct to Dave Frechette for his term as Commissioner and for his work and efforts devoted to the Zoning Board to Carl Elsner for his dedicated work on the Commons, and to Walter Young for his great contribution to the fire department. The assembly responded with applause.

Howard Evans made a motion to adjourn the meeting and Earl Arenburg seconded the motion. A vote in the affirmative. The meeting was adjourned at 10:15 p.m.

Respectively submitted,

Mimi Emory
Precinct Clerk

A 1906 view of Court Street in Haverhill.

Woodsville Fire District
Warrant For Annual Meeting
March 17th, 1992

To the Inhabitants of the Woodsville Fire District, in the Town of Haverhill, County of Grafton, and State of New Hampshire qualified to vote on said District Affairs:

You are hereby notified to meet at the Woodsville Elementary School on Park Street in said District at Thirty Minutes past Seven in the Evening on Tuesday, March 17th, 1992, to Act on the Following Matters:

Article 1: To Choose a Moderator.

Article 2: To Choose a Clerk.

Article 3: To Choose a Treasurer.

Article 4: To Choose an Auditor.

Article 5: To Choose one (1) Library Trustee for a Term of One (1) Year.

Article 6: To Choose One (1) District Commissioner for a Term of Three (3) Years.

Article 7: To Choose One (1) Water & Light Commissioner for a Term of Three (3) Years.

Article 8: To Choose One (1) Member of the Recreation Committee for a Term of Five (5) Years.

Article 9: To hear the Reports of the Officers heretofore chosen and to pass any vote relating thereto.

Article 10: To see if the District will vote to authorize the District Commissioners to issue interest bearing notes in anticipation of taxes and other revenues of the financial year, to provide for current maintenance and operation expenses.

Article 11: To see if the district will vote to authorize the Board of Commissioners to apply for, receive and expend federal and state grants which may become available during the course of the year, in accordance with RSA 31:95-b and also to accept and expend money from any other governmental unit or private source to be used for purposes for which the district may legally appropriate money.

Article 12: To see if the District will vote to name the Commissioners as Trustees and Agents for the Streets and Sidewalks Fund and the Truck Replacement Funds.

Article 13:

To see if the District will vote to construct a street from the Westerly end of the former Smith Street bridge to connect with U.S. Route 302 between the "Railyard" property and the "D & P Pit Stop" property and to see what sum the District wishes to appropriate for this purpose.

Article 14:

To see if the District will vote to raise and appropriate the sum of \$230,000.00 for the construction of a new Emergency Services Building and said sum to be in addition to any federal, state, or private funds made available therefore, and to authorize the issuance of not more than \$210,000.00 of bonds or notes in accordance with the provisions of the Municipal Finance Act (RSA Chapter 33) and to authorize the District officials to issue and negotiate such bonds or noted and to determine the rate of interest thereon; furthermore, to authorize the the withdrawal of \$20,000.00 from the Ambulance Rental Account for this purpose.

92

Article 15:

To see if the District will vote to authorize the Commissioners to sell the exsisting Fire Station property on Central Street.

Article 16:

To raise and appropriate such sums as may be necessary for the coming year, including all Departments.

Article 17:

To transact any other Business that may legally come before this meeting.

Board of Commissioners:
Richard L. Guy
Joseph C. Maccini
Lawrence P. Corey

MINUTES OF THE WOODSVILLE FIRE DISTRICT ANNUAL MEETING HELD
TUESDAY MARCH 19, 1991

The meeting was called to order at 7:30 PM at the Woodsville Elementary School by Moderator Bart Mann.

The Moderator asked Frank O'Malley of the Haverhill Historical Society to give a report on their efforts relative to the town clock.

Bart Mann requested that the minutes reflect a tribute to Joan Knight of Woodsville, who passed away earlier this year. Joan will long be remembered for her community spirit. She played a major role in the beautification improvements along Central Street.

Commissioner Larry Corey then read the warrant in its entirety:

Article 1: To choose a Moderator.

Jay Holden nominated Ezra B. Mann, II. As there were no further nominations Jay moved to have nominations cease and have the clerk cast one ballot for Ezra B. Mann, II.

Article 2: To choose a Clerk.

Jay Holden nominated Patti Klark. As there were no further nominations, Jay moved to have nominations cease and have the Clerk cast one ballot for Patti Klark.

Article 3: To choose a Treasurer.

Jay Holden nominated Allen Wright. As there were no further nominations, Jay moved to have nominations cease and have the Clerk cast one ballot for Allen Wright.

Article 4: To choose an Auditor.

Jay Holden nominated Roger Welch. As there were no further nominations, Jay moved to have nominations cease and have the Clerk cast one ballot for Roger Welch.

Article 5: To choose one Library Trustee for a term of [1] year.

Marion Mann nominated Gary Wood. As there were no further nominations, the Moderator declared nominations closed and instructed the Clerk to cast one ballot for Gary Wood.

Article 6: To choose one District Commissioner for a term of three [3] years.

Ernie Towne nominated Richard Guy. Jay Holden moved to have the nominations cease and have the Clerk cast one ballot for Dick Guy.

MINUTES OF THE 1991 ANNUAL MEETING-WOODSVILLE FIRE DISTRICT
TUESDAY MARCH 19, 1991

Article 7: To choose one Water & Light Commissioner for a term of three [3] years.

Ernie Towne nominated Robert Miller. Jay Holden moved to have nominations cease and one ballot cast for Bob Miller.

Article 8: To choose one [1] member of the Recreation Committee for a term of five [5] years.

Larry Corey nominated Allen Wright. Jay Holden moved to have nominations cease and one ballot cast for Allen Wright.

The Moderator declared the following officers elected:

Moderator: Ezra B. Mann
Clerk: Patti Klark
Treasurer: Allen Wright
Auditor: Roger Welch
Library Trustee: Gary Wood
District Commissioner: Richard Guy
Water & Light Commissioner: Robert Miller
Recreation Committee: Allen Wright

The Moderator then administered the oath of office to those elected.

Article 9: To hear the Reports of the Officers heretofore chosen and to pass any vote relating thereto.

Jay Holden moved to accept and approve the reports of officers as printed in the Town Report, which was seconded by E. Towne and unanimously approved.

Article 10: To see if the District will vote to authorize the District Commissioners to issue interest bearing notes in anticipation of taxes and other revenues of the financial year, to provide for current maintenance and operation expenses.

The article was moved by Gary Wood, seconded by E. Towne and unanimously approved.

Article 11: To see if the District will vote to authorize the Board of Commissioners to apply for, receive and expend federal and state grants which may become available during the course of the year, in accordance with RSA 31:95-b, and also to accept and expend money from any other government unit or private source to be used for purposes for which the

MINUTES OF THE 1991 ANNUAL MEETING-WOODSVILLE FIRE DISTRICT
TUESDAY MARCH 19, 1991

District may legally appropriate money.

The article was moved by Ernie Towne, seconded by Bob Miller and unanimously approved.

Article 12: To see if the District will vote to raise and appropriate the sum of forty-one thousand dollars [\$41,000] for the purchase of a new Highway Truck and authorize the withdrawal of twenty thousand dollars [\$20,000] from the Capital Reserve Fund created for that purpose. The balance of twenty-one thousand dollars [\$21,000] to come from general taxation.

Ernie Towne asked how much money was presently available in the Capital Reserve Fund. Dick Guy stated that they have \$14,000 right now and \$6,000 which will be deposited this year. Ed Young questioned this--stating that he didn't believe the law allowed you to withdraw capital reserve funds the same year they are deposited. Mr. Young then moved to amend the warrant article to read: To see if the District will vote to raise and appropriate the sum of Forty One Thousand Dollars [\$41,000] for the purpose of a new highway truck and authorize the withdrawal of \$14,000 from the Capital Reserve Fund created for that purpose. The balance of \$27,000 to come from general taxation. Erlene Young seconded the motion. Bruce Robbins moved the article as amended, which was seconded by Mike Vittum and unanimously approved.

Article 13: To see if the District will vote to authorize the Commissioners to enter into a lease agreement for the purpose of leasing an ambulance for the Woodsville Rescue Ambulance Service and appropriate the sum of Thirteen Thousand Dollars [\$13,000] to be paid from Woodsville Rescue Ambulance funds for that purpose.

Ed Young asked that someone explain this proposal to the voters. Larry Corey explained that this article was not asking for funding through taxation. The Ambulance Service is funded by patient fees and guarantees from member towns. Larry explained that RSA 31:3 requires voter approval before entering into a long-term lease.

Bruce Robbins moved the article, which was seconded by Steve Robbins and unanimously approved.

Article 14: To see if the District will vote to name the Commissioners as Trustees & Agents for the Streets & Highway Fund and the Truck Replacement Funds.

MINUTES OF THE 1991 ANNUAL MEETING-WOODSVILLE FIRE DISTRICT
TUESDAY MARCH 19, 1991

The article was moved by Jay Holden, seconded by Mike Vittum and unanimously approved.

Article 15: To see if the District will vote to authorize the Commissioners to sell the Ford highway truck.

The article was moved by Bruce Robbins, seconded by Mike Vittum, and unanimously approved.

Article 16: To see if the District will vote to sell the 1957 Seagrave ladder truck to the Woodsville Fire Company for the sum of \$1.00.

Ed Young asked for an explanation of this article. Larry Corey explained that the new ladder truck the Precinct has was actually purchased by the Woodsville Fire Company. They expended \$20,000 on the precinct's behalf to purchase a 1972 100-foot ladder truck. The purpose of this article is to allow the Woodsville Fire Company to sell the 1957 truck in order to recover some of the money they spent. Bruce Robbins explained that it was the Fire Department's intent to donate the newer truck to the Woodsville Fire District.

Bruce Robbins moved the article, which was seconded by Larry Corey and unanimously approved.

Article 17: To see if the District will vote to raise and appropriate a sum of money for the resurfacing of the basketball courts at the Community Field.

Jay Holden asked that this article be tabled, but he would first explain the price quotes he obtained. He explained that he has price quotes for two full-size regulation courts. The resurfacing would be \$10,600. To fill in cracks and paint the lines [no nets] would be \$8,395, and patchwork would be \$4,700.

Pat Lang stated that before tabling this article, she would like to go on record stating her support because she believes it benefits all age groups, not just the youth of the community. She also stated that she believes it merits discussion.

Ernie Towne asked if by putting it off for one year it might result in further deterioration and additional money to repair. Jay stated that the paving quotes came from Bigelow Paving and we would be getting it at municipal prices.

Allen Wright stated that the Recreation Committee believes it should be put off for one year. He also added that they have contacted the Lions Club and they have pledged their assistance when the time comes.

MINUTES OF THE 1991 ANNUAL MEETING-WOODSVILLE FIRE DISTRICT
TUESDAY MARCH 19, 1991

Jay stated that given the economic situation in town he believed it should be tabled for this year. Jay then moved to table Article 17, which was seconded by Bob Miller and voted on by a raise of hands. The show of hands indicated 19-yes and 13-no. The Moderator declared that the ayes have it and Article 17 was tabled.

Article 18: To raise and appropriate such sums as may be necessary for the coming year, including all departments.

Larry Corey moved to raise and appropriate the sum of \$2,118,023.60, which was seconded by Mike Vittum and unanimously approved. It was noted that the minutes should reflect the fact that the \$2,118,023.60 includes warrant articles.

Article 19: To transact any other business that may legally come before this meeting.

Joe Maccini gave an overview of the situation with the Smith Street Railroad Bridge and the District's efforts to deal with the Railroad. He stated that the Railroad has indicated that they would be willing to deed the District the bridge and the land underneath it. Joe asked that the voters give the Commissioners some idea of what they wanted to see done--if they want the District to accept the bridge or go to court to resolve it. Jay Holden asked if the Railroad could actually just walk away from it. Joe explained that they can petition the Public Utilities Commission to abandon it, and they have done it before.

Jack Brill asked how much land went with the bridge. Joe stated that it is just the land directly beneath it, and that in order to tear it down and re-route the road, it would mean acquiring more land.

Maryanne Robinson asked what the price would be to do the minimum of repairs, as opposed to tearing it down and putting in an alternate road. Joe stated that without land acquisition it would be about \$40,000, but the liability of that bridge is astronomical.

Ed Young stated that he was in favor of spending a few thousand to hopefully save a few million.

Allen Wright asked about traffic problems on Rte. 302. Joe stated that they have already met with the State and the State would work with them, and have indicated that they would prefer to see one access in this area.

Roland Moore questioned this, stating that he didn't believe the Railroad could get away with making the District take the bridge.

MINUTES OF THE 1991 ANNUAL MEETING-WOODSVILLE FIRE DISTRICT
TUESDAY MARCH 19, 1991

Joe stated that they have gotten away with abandoning bridges in the past. Bart Mann stated that the District could get people to go before the PUC and testify in an effort to prevent it.

Maryanne Robinson indicated that she didn't believe the District should go through all that--why not just accept their offer.

Gary Wood informed the voters that in order to actually accept the property, they would need to have an article on the warrant.

Dick Guy stated that the Commissioners need to come out of this meeting with a clear indication of whether the voters will accept the railroad's offer to take the bridge down and deed the land to the Precinct. He explained that this vote wasn't binding, but it was necessary in order to give the Commissioners some direction in how to proceed.

Dick Guy moved to accept the Railroad's offer, if made, to dismantle the bridge and deed the Precinct the land. The motion was seconded by M. Robinson and unanimously approved.

In other business, Larry Corey stated that the Precinct Commissioners have been petitioned to change the name of the Street leading to the Nathan Pines Trailer park to Pinewood Drive. Larry explained that the District has no jurisdiction in this matter and that it will have to be presented to the Board of Selectmen for action at the next town meeting.

Bruce Robbins passed out information reports for the Fire Department, noting that normally his report appears in the Town Report, but that due to time constraints and space in the Town Report, he chose to submit it directly to the voters.

As there was no further business to be transacted, Jay Holden moved to adjourn, which was seconded by Mike Vittum and unanimously approved. The Moderator declared the meeting adjourned at 9:00 PM.

TOWN OF HAVERHILL

PROPOSED MOUNTAIN LAKES DISTRICT WARRANT

FOR 1992 ANNUAL DISTRICT MEETING

To the voters of the Mountain Lakes District located in the Town of Haverhill, New Hampshire, who are qualified to vote in District affairs:

You are hereby notified to meet at the District Building (Ski Lodge) in the Mountain Lakes District on Saturday, March 14, 1992, at 10:00 a.m. to act on the following Articles:

Article 1:

To elect the following District Officers:

- A Moderator for the term of one (1) year
- A Commissioner for the term of three (3) years
- A Commissioner for the term of one (1) year
- A District clerk for the term of one (1) year
- A Treasurer for the term of one (1) year

And any other Officers required by law.

Article 2:

To see what sum the District will vote to appropriate to pay the expenses of the District during the 1992 fiscal year for the purposes set forth in the District budget.

Article 3:

To see if the District will approve the budget including revenues and expenses proposed by the Commissioners for the operation of the Water Department for the fiscal year April 1, 1992 to March 31, 1993.

(Articles 4 - 8 are alternatives for the use of the \$75,000 received from the sale of the Ski Area Equipment.)

Article 4:

To see if the District will vote to appropriate the sum of \$51,360 to pay off the balance due on the Ski Area and Tennis Court notes of April 13, 1987 together with accrued interest, and to authorize the withdrawal of this sum of money from the \$75,000 received by the District for the sale of the Ski Area Equipment.

Article 5:

To see if the District will vote to establish a capital reserve fund for the financing of the cost of the construction of capital improvements for the Mountain Lakes Water Department, and to authorize the withdrawal of \$11,820 from the \$75,000 received by the District for the sale of the Ski Area Equipment.

Article 6:

To see if the District will vote to establish a capital reserve fund for the financing of the acquisition of recreation equipment or the construction of capital improvements to the recreational facilities and authorize the withdrawal of the sum of \$11,820 from the \$75,000 received by the District for the sale of the Ski Area Equipment.

Article 7:

To see if the District will appropriate the sum of \$7,500 for the purpose of bringing the new well into operation for the water system and to withdraw said sum of \$7,500 from the \$75,000 received by the District for the sale of the Ski Area Equipment.

Article 8:

To see if the District will appropriate the sum of \$5,000 to construct and install a concrete and carpet apron around the swimming pool and to withdraw said sum of money from the \$75,000 received by the District for the sale of the Ski Area Equipment.

Article 9:

To see if the District will create a trust fund for the purpose of improvements in the District to recreational facilities owned by the District and to place in such trust fund the sum of \$15,000 and such trust fund shall be administered by a board of three (3) Trustees who shall be the District Commissioners, as provided in RSA 31:19-a and RSA 31:22.

Article 10:

To see if the District will vote to incur debt in anticipation of taxes and other revenue of the financial year in order to pay current maintenance and operation expenses and to issue notes therefor in conformity with the New Hampshire Municipal Finance Act, RSA Chapter 33.

Article 11:

To see if the District will vote to authorize the Commissioners to hire a Certified Public Accountant or Public Accountant to perform an audit of accounts as provided in RSA 21-J:19.

Article 12:

To transact any other business that may legally be brought before the District Meeting.

Given under our hands and seal of the Mountain Lakes District.

DISTRICT COMMISSIONERS

Please note: The posted Warrant may be changed as a result of Articles submitted to the Commissioners by petition after delivery for the purposes of inclusion in the Town Report.

MT LAKES ANNUAL MEETING
MARCH 16, 1991
MINUTES

Present at Meeting: Commissioners: Bonnie Darling, Beth Skidmore, Irwin Shapiro. Attorney Larry Gardner, Moderator Larry Koob, District Clerk Sandra Solinsky, Secretary Georgia Sullivan

There were 34 property owners.

The meeting was called to order at 2:10 PM.

The Moderator divided the voters and non-voters, introduced the head table and explained the rules of the meeting.

The Commissioner asked for the floor, Beth Skidmore - There are some important people that the District would like to thank for the work and time that they contributed to the District over the last year.

Outstanding Man of The Year: Bill Morrow
Outstanding Woman of The Year: Phyllia Porter

This year the Commissioners would like to start a new award, the award will be for the man and woman who have helped the Commissioners through the year.

Good Guy award: Don Haabrouck
Good Gal award: Barbara Keating

The Commissioners would also like to thank Joel Godston for making the plaques for the awards, and Gordon White for his help working on the Financials and the year end statement.

The Moderator read Article 1: To elect the following District Officers:

A Moderator for the term of one (1) year.

Charlie Herdman was nominated. No other nominations were received. The nominations were closed. Charlie Herdman was elected Moderator for the term.

Mr. Herdman was asked if he would like to say anything.
Mr. Herdman: Thank you very much.

A Commissioner for the term of three (3) years

Dale Jacobowski: There is one commissioner listed for three

years. But there is no mention of electing a Commissioner for a one(1) year term. Another Commissioner has announced that she is resigning at the end of this month, is there any reason why the end of the month was chosen instead of before the annual meeting, at the annual meeting the voters would have been able to vote in another Commissioner.

Beth - She tried to resign in November because of her new job she is working a lot more hours plus Saturdays and Sundays. She called our Attorney Larry Gardner, he felt it would be better that she wait until after the annual meeting and have the new commissioners nominate the new commissioner into her place.

Phyllis Porter was nominated for Commissioner for a three (3) year term. There were no other nominations. Phyllis was elected Commissioner.

A District Clerk for the term of one (1) year

Sandy Solinsky was nominated for a second term. There were no other nominations. Sandy Solinsky was elected for District Clerk.

Ms. Solinsky was asked if there was anything she would like to say.

Sandy - Thank you all again

A Treasurer for the term of one (1) year

Caryl O'Brien was nominated for a second term. There were no other nominations. Caryl O'Brien was nominated for Treasurer.

Caryl was asked if there was anything she would like to say.

Caryl - Thank you.

Irvin Shapiro - move to have Article 13 to be taken out of order.

Moderator moved to have Article 13 taken out of order because it deals with the water Co and discuss it now. This motion was seconded.

Dale Jackobowski - What is the reason for having Article 13 discussed now?

Beth - It will impact the upcoming budget.

The question was called and the motion carried.

Article 13:

To see what action the District will take with regard to the operation of the Water Department after consideration of the

report of the District Advisory Committee appointed under Article 7 at the March 1990 Annual District Meeting.

Irwin - I move that the operation and maintenance of the Water Department be by contract for a term of not more than three (3) years and awarded by public bid. Motion was seconded.

Irwin - The report of the Mt. Lakes Water Department Committee. The Water Department Committee was established by a Warrant Article at the 1990 Annual Meeting which was originally comprised of seven (7) members. During the course of the year these seven members were reduced to five (5) which made up the composition of the committee. Those five members remaining should be commended for their efforts to insure that the Mt. Lakes Water Department functioned in an economical and efficient manner, while recommending needed improvement and on ongoing effort to improve the system. Those individuals deserving to be singled out are :

Ed Gaffey, Will Thornhill, Bill Carbone and Don Hasbrouck.

Each brought forth a special area of expertise. I would sincerely recommend to the present and future Commissioners to include these individuals for the coming year and the future. The first task undertaken by this committee was to inspect thoroughly the entire system. This was undertaken by three members of the committee from wheel head to reservoir. Following that, at a meeting priorities were established, it was determined that there were two specific priorities:

1. To obtain a principle supply of water from within the established boundaries of the District.
2. To map out the water system accurately from wheel head to reservoir including all lines by size and composition and all valves, shutoffs and blowoffs. It was determined by consensus that the top priority would remain a water source with a primary and secondary drilling site. Discussion concerning sites, drilling, and BCI took place. This was followed by discussion concerning bids for the operation of the Water Department - the basic issue concerned contract versus non-contract maintenance.

Bill M wants to put a motion on the floor to have the voters vote to say nothing more then to have the commissioners review this situation and have the commissioners act on it. Discussion continued around this issue.

Larry Gardner - Irwin has put a motion on the floor to contracting out operation and maintenance of the Water Department that can be amended. What Bill M and Joel Godston is saying is

the district meeting will not decide but leave the choice up to the commissioners. Bill you can move to amend the motion by stating that the commissioners shall review the proposals to have operation and maintenance done by a contract and the commissioners can decide whether or not to do this.

Moderator - moved the motion until the end of the meeting

Article 2:

To see what sum the District will vote to appropriate to pay the expenses of the district during the 1991 fiscal year for the purposes set forth in the District budget.

Moderator - Can we have a motion under article 2

Beth - I move that the District vote to appropriate to pay the expenses of the District during the 1991 fiscal year for the purposes set forth in the district budget and that \$181,765. and that the District appropriate the sum of \$24,000. to pay the expenses of the District during the 1991 fiscal year for the purposes set forth in the District budget and further appropriate \$24,000 to pay off the District promissory note for the third well of the Water System and authorize the commissioners to withdraw \$24,000 from the Water Department account for that purpose.

Moderator - That will then take the amount on the district budget to the amount of \$157,765 if that is approved

Irwin seconded the motion

Beth - The reason is that the three commissioners have a commitment towards the recreation budget and there is \$24,000 from the Water Department that we would like to pay off the entire note. This years appropriation of that amount is 11,000 we have paid three months of that Jan, Feb, March, we will be paying a portion of what is left. The bottom line is that it will reduce your tax rate from 1302. per thousand to 1235 per thousand if this motion is approved. We would like to see some of the recreational amenities done this year and we would like to pay off some of our debts. That was the intent of the motion. All three commissioners endorse this motion.

Gordon White - There is \$181,765.00 less \$8225 saved from line 587 leaving \$173,540.00 also line item 502 should be \$300.00 not \$75.00. This means a proposed budget of \$173,765.00.

Moderator - The motion is amended for the District to appropriate \$173,765.00.

The question was called. The motion carried.

Article 3:

To see if the District will vote to appropriate the sum of Twenty-Nine Thousand Dollars(\$29,000.) for the purposes of replacing the District swimming pool and to withdraw Ten Thousand Dollars (10,000.) from the swimming pool capital Reserve fund, and to authorize the commissioners to borrow Nineteen Thousand Dollars (\$19,000.) by the issuance of notes under the Municipal Finance Act RSA Chapter 33, and to take all action as may be necessary to carry out the purpose of this vote.

Beth moved Article 3 as written. Motion was seconded

Mary-Lou Thornberg - 19,000 is to be spread over five (5) years. This would add about 40 cents a year per thousand to the tax rate. Charge for borrowing money - principle & interest over five(5) years.

The recommendation of the Recreation Committee is to recommend Article 4.

Pool would be paid for in one (1) year, this would add to cap improvements 19,000 to this years budget and would add 1.42 per thousand to the tax rate. \$15,000 property tax of 71.00 which would be paid for in one year - it would be just for 1991- no continuing expense.

Moderator - If you vote on Article, Article 4 & 5 would be redundant

There is a lot that is figured into the price of the pool:

1. Present location is the best location
2. 24'x48' 8' deep
3. Vinyl Liner
4. Existing filter
5. Gas heater
6. under water light
7. Ladder

Bill M. - I recommend a no on Article 3 and a yes on Article 4 because the Recreation Committee is recommending it. The pool would be finished by the summer.

Beth - Residents want the pool opened. People were very unhappy because the pool was not opened last Summer.

Motion dies from lack of second motion.

Article 4

To see if the District will vote to appropriate Nineteen Thousand Dollars (19000.00) for the replacement of the District Swimming pool and to withdraw Ten Thousand (10,000.00) from the Swimming

Pool Capital Reserve Fund.

Motion moved and seconded

First year maintenance will be taken care of with the construction of the pool, then we will have a service contract with the builder of the pool to maintain it. It is not a gunite pool.

Irwin - We should borrow the money so that the people who live here now do not end up paying for the whole thing. The people who move in next year or the year after should not get any of the amenities without having to pay for them.

Buater - What kind of pool are we getting?

Mary-Lou - 24 millimeter pool with a vinyl lining. The lining has a five (5) year guarantee. There is a fifteen (15) year guarantee on the structure of the pool. There will be a solar cover, automatic chlorinator, automatic vacuum cleaner, handicap access.

It will cost \$600.00 a year for maintenance - to start up the pool, check on it once a week and close down in the fall. The figure includes a diving board for the lower lake, to repair the deck and storage cabana and an 8' fence, this also includes landscaping around the pool.

The question was called. The motion was carried

Article 5

Moderator - Article 5 is redundant with passing Article 4 there is no need for Capital Reserve Fund.

Article 6

To see if the District will appropriate a sum not to exceed Six Thousand Five Hundred Dollars (6500.00) for the purpose of drilling for an alternate source of water and authorize the Commissioners to take all action and execute all documents as may be necessary to carry out the purpose of this vote.

Motion moved and seconded

Article recommended by the BCI. Water is now coming from outside the District. This report states that there is property that is owned by the District that could be drilled for water. The 6500.00 covers the drilling, testing and the Capping of the

Well. The location is in Gateway next to lot 67. There is also Electricity in the area. We are meeting our capacity for water now, we do not have any to spare.

Joel Godston - This Article is stating what the five year plan is asking for. The voters should vote yes for this Article. Spencer Richardson - Number 1 Well pumps approx 61 gallons per minute. We have one well down and the other well is marginal. The number 1 well pump should be replaced.

Bill M - I recommend to vote yes on this Article.

Bonnie - Irwin has worked very hard this year on the Water Department, he has done a lot of research for this. I recommend that we vote yes on this Article.

The question was called. The motion carried.

Article 7

To see if the District will appropriate the sum of Five Thousand Dollars(5) for repairing the District Tennis Courts.

Motion moved and seconded

Mary Lou - The Tennis Courts have not been maintained since 1987. This money will be used to repair the three courts, filling in the voids and cracks and repainting all the courts. This will also be used to fix the water problems on two of the courts by trenching and alleviating the water. This would add 37 cents to the tax rate.

Beth - A lot of residents have complained because the tennis courts are in such a mess.

Joel Godston - I strongly recommend passing this Article because it goes along with the five year plan.

The question was called and the motion carried.

Articles 8:

To see if the District will vote to authorize the Commissioners to sell the land and Buildings owned by the District consisting of the following:

a. Land and buildings on 6.84 acres as deeded to the District by deed recorded in Book 1302, Page 242.

b. A parcel of land containing 104.31 acres conveyed to the District by deed recorded in Book 1347, Page 975.

Together with all buildings, equipment, ski lift, and ski facilities for such price and upon such terms and conditions, including price, as the Commissioners deem to be in the best interests of the District on the condition that prior to any decision, the Commissioners shall hold a public hearing and shall give notice to all voters and landowners, and further, at the public hearing the Commissioners shall provide information on the proposed sale and representatives of the proposed purchaser or purchaser's shall be present and provide information. The Commissioners shall be authorized to execute and deliver all such documents as may be necessary and to take any and all other action as may be required to carry out the purpose of this vote.

Article 9:

To see if the District will vote to sell any and all equipment including, but not limited to, the ski lift associated with the operation of the Monteau Ski Area upon such terms and conditions, including price, as the Commissioners deem to be in the best interests of the District on the condition that prior to any sale the Commissioners shall hold a public hearing and at such public hearing the Commissioners shall provide information as to the sale of such assets. The Commissioners shall be authorized to execute and deliver all such documents as may be necessary and to take any and all other action as may be required to carry out the purpose of this vote.

Article 10:

To see if the District will vote to authorize the Commissioners to lease District property, including the District building, the Maintenance Shed, for such rent and upon terms and conditions as the Commissioners deem to be in the best interests of the District but such lease shall not extend beyond three (3) years, including any renewal term, on the condition that the Commissioners shall hold a public hearing prior to any decision to lease. The Commissioners shall be authorized to execute and deliver all such documents as may be necessary and to take any and all other action as may be required to carry out the purpose of this vote.

Bill M - I motion that Articles 8-9-10 be deferred until all other Articles have been acted on.

Motion Passed

Article 11:

To see if the District will vote to incur debt in anticipation of taxes and other revenue of the financial year in order to pay current maintenance and operation expenses and to issue notes therefor in conformity with the New Hampshire Municipal Finance Act, RSA Chapter 33.

The Question was called. The motion carried

Article 12:

To see if the District will vote to authorize the Commissioners to hire a Certified Public Accountant or Public Accountant to perform an audit of accounts as provided in RSA 21-J:19.

The Question was called. The motion carried.

Article 13:

Moderator - The original motion that was deferred was that the operation and maintenance of the Water Department shall be contracted out for a term of not more than three (3) years as a public bid.

Bonnie - Moved the action on the pending motion, to postpone until the Adjourned session and that the Commissioners review the operation and maintenance and file a report two weeks before the adjourned session.

Question was called. The motion carried.

Articles 8-9-10

Bill M. - Action on Articles 8-9-10 be postponed until the adjourned session.

A statement was made at the Jan 19 Commissioners Meeting, in which it was stated that it was the opinion of the Commissioners that there was prejudice against the Beckermis Group. This Committee has been working for the last eight weeks with the AHO Realty Company, we have not been able to bring to this meeting a proposal in writing; but we do feel that we are very close. We are asking for an adjournment because we feel we have one last opportunity for their to be a downhill functioning ski area here. The plan would be, one of the two investors would come to Monteau March 30, 1991, at 10:00AM for a two hour meeting, which I will chair to discuss with everyone what his intentions are. This representative will answer any question that the voters may have. After the meeting he will have until April 16, 1991 to have a proposal in writing for the Mt. Lakes District. We ask that this meeting be adjourned until May 4, 1991 at 2:00PM. If there is a proposal, the voters will vote on it, if not we will go back to

Articles 8-9-10-13.

This is the only offer that this committee is aware of.

The question was called. The motion passed.

Article 14:

To transact any other business that may legally be brought before the District Meeting.

Bonnie - I would like to thank my fellow Commissioners for the past year.

We would like to thank the Moderator for a job well done last year.

Dana B. - I would like to thank The people who put up the Yellow Ribbons around the Ski Area.

Beth - Georgia Sullivan and Caryl O'Brien

Meeting adjourned at 5:30PM

Respectfully submitted,

A handwritten signature in cursive script, reading "Sandra Solinsky".

Sandra Solinsky
District Clerk

Continuation of Annual Meeting
of March 17, 1991

May 4, 1991

Present: Commissioners Bonnie Ardita, Phyllis Porter, Joe O'Brien III, Attorney Larry Gardner, Moderator Charlie Herdman

Approx. 35 Residents

Moderator Charlie Herdman called meeting to order at 2:05 PM
We are readjournaling the Annual Meeting from March 17, 1991

Moderator read Article 8:

Move that the District vote to authorize the Commissioners to sell land and buildings owned by the District consisting of the following:

- A. Land and buildings on 6.84 acres as deeded to the District by deed recorded in Book 1302, Page 242.
- B. A parcel of land containing 104.31 acres conveyed to the District by deed recorded in Book 1347, Page 975.

Together with all buildings, equipment, ski lift, and ski facilities for such price and upon such terms and conditions, including price and subject to the terms and conditions set forth in the Information and Documents relating to the Monteau Ski Area dated 1/29/91, as the Commissioners deem to be in the best interests of the District on the condition that prior to any decision, the Commissioners shall hold a public hearing and shall give notice to all voters and landowners, and further, at the public hearing the Commissioners shall provide information on the proposed sale and representatives of the proposed purchaser or purchasers shall be present and provide information. The Commissioners shall be authorized to execute and deliver all such documents as may be necessary and to take any and all other action as may be required to carry out the purpose of this vote.

(Amendment added to Article 8)

Bonnie moved the Article, Gail Herdman seconded the Article.

Bill Morrow: Referred to March 31, 1991 letter to Mr Beckermis results of meeting of March 30, 1991 is the letter. The next letter was April 15, 1991 Mr Beckermis accepted the proposal of the March 30 meeting. Attorney Gardner sent a document on April 23, 1991 for Mr. Beckermis's signature. Bill Morrow talked to

Mr. Beckermis and Mr. Beckermis said that he not interested in buying Monteau but he would back Diane Rappa.

Bev Haebrouck: Is it possible to vote yes on all the Articles? Attorney Gardner: The Motion under Article 8 authorizes the Commissioners to sell - they set the price - they have to have a meeting to let the people know what they are doing. There must be an expiration date for the sale of Monteau. There should be a time limit on Article 8 - when the time runs out then they will go to sell the equipment. I would say no to vote yes on all the Articles because it would do much on the Commissioners. Legally the voters can vote yes on Articles 8 - 9 - 10 - 13. The commissioners have no problem with dealing with all the Articles at once.

Buster Miller: Articles should be handled one at a time.

Lillian Snellman: Wants to know if there is an offer for the equipment?

Sale of equipment: Phyllis Porter: Allan Fletcher from Nashoba Valley Ski Area came to Monteau last week and spent three hours looking over the equipment, we have a verbal offer for \$75,000. but we do not have a signed agreement.

Bill Clark: Has this offer been negotiated? No, he is going to take everything, equipment, pipes and all. There should be something written down about making sure that the mountain will be put back the same way it was before they take everything.

Heidi Lyman: How much longer can the equipment stay on the Mt with out being used?

Bill Schmidt: There have been two negotiating Committees. Maybe we should forget it - delaying action any further will hurt Article 9.. I think Article 8 should go by the boards.

Lillian Snellman: If we vote yes on all three Articles do we authorize the Commissioners to do everything, and it will be in the Commissioners hands so we don't have to have another meeting?

Attorney Gardner: Suggested forming this Article so that the voters would have something to consider. The way all three Articles are written is that it would be the decision of the Commissioners, it will not go back to the voters. The Commissioners must have a public hearing so that the voters can check on them.

Bill Clark: If you can get more money for the sale of the equipment, do we have an Article written just for the equipment and not the building?

Phyllis Porter: All of us want to come out of this meeting with

somewhere to go.

Bill Morrow: I recommend a yes vote on Article 8 as long as you were to stipulate when it was sold it had to be used as a Ski Area only.

Bill Schmidt: Would they care to have a termination date for Article 8?

Bill Morrow: Articles 8 & 9 should be tied in together which ever one comes up first, this must be worded very carefully and put a time limit on it.

Charlie Herdman: Saying yes to 8 & 9, you are giving them a time and price, you are giving them the latitude to a certain point.

Joe O'Brien: If we put a time limit on Article 8 and we get an offer on Article 9, we would not be able to do anything until the time limit ran out on Article 8.

Buster Miller: Why not recommend that the Commissioners do what they think is best?

Don Heabrouck: If you wait until September, the equipment is not going to move.

Bill Clark: The Commissioners must evaluate what is best for the taxpayers.
What do the Commissioners recommend?

Phyllis Porter: I don't see anyone coming out to buy the Mt - I would not want to lose selling the equipment.

Bill Clark: If we sell the equipment, will the money be put into a separate account not in the General Operation?

Article 8 Passed Amended

Article 9

Move that the District vote to sell any and all equipment including, but not limited to, the ski lift associated with the operation of the Monteau Ski Area upon such terms and conditions, including price, as the Commissioners deem fit to be in the best interests of the District on the condition that prior to any sale the Commissioners shall hold a public hearing and at such public hearing the Commissioners shall provide information as to the sale of such assets and the proceeds shall be deposited into a separate account and the use of these funds to be voted on at the next Annual District Meeting. The Commissioners shall be authorized to execute and deliver all such documents as may be necessary and to take any and all other action as may be required to carry out the purpose of this vote. (Amendment Added)

Dana B. Intent on the Sale of Monteau - Amend Article 9 to say that proceeds go into a separate account.

Motion to amend, said proceeds from the sale should be put into an escrow account and not into General Funds.

Buster Miller: Earmark the proceeds to pay of any debts.

Article 10

Move that the District vote to authorize the Commissioners to lease District property, including the District Building, the Maintenance Shed, for such rent and upon such terms and conditions as the Commissioners deem to be in the best interests of the District but such lease shall not extend beyond three (3) years, including any renewal term, on the condition that the Commissioners shall hold a public hearing prior to any decision to lease. The Commissioners shall be authorized to execute and deliver all such documents as may be required to carry out the purpose of this vote.

Article moved and seconded.

Article passed

Article 13

Original Article:

To see what action the District will take with regard to the operation of the Water Department after consideration of the report of the District Advisory Committee appointed under Article 7 at the March 1990 Annual District meeting.

The original motion that was deferred was that the operation and maintenance of the Water Department shall be contracted out for a term of not more than three (3) years as a public bid.

Phyllis Porter explained the Data Paper attached to agenda.

Bonnie moved a motion.

Joe: We do not want to feel tied down with a three (3) year contract.

Bonnie: The recommendation is to go with the contract and to get the price down.

Bill Morrow: agrees with the motion

1. Ask for expertise from Sam Rouderbush

2. We don't want to be misled by the figures for 1990 - did nothing for the future expansion of system.

Put a lot of emphasize of the advice from Sam Rouderbush.

Bill Schmitt: We should not run a department on the say of one

2. We don't want to be misled by the figures for 1990 - did nothing for the future expansion of system.
Put a lot of emphasize of the advice from Sam Rouderbush.

Bill Schmitt: We should not run a department on the say of one person. We need a book of procedures for how to run a Water Department.

Are the Commissioners going to put out to bid?

We want to explore contract further - we do not want to get locked into a decision until the next Annual Meeting - we feel we need one more year.

Motion - Bonnie rereading it:
Move that the District authorize the Commissioners to decide on the operation of the Water Department within the budget on either a contract basis or Water Department employees.

Motion passed.

Meeting Adjourned at 3:05

INDEPENDENT AUDITOR'S REPORT

To the Board of Commissioners
Mountain Lakes District
Haverhill, New Hampshire

We have audited the accompanying general purpose financial statements of the Mountain Lakes District, Haverhill, New Hampshire as of December 31, 1990, and for the year then ended. These general purpose financial statements are the responsibility of the Mountain Lakes District's management. Our responsibility is to express an opinion on these general purpose financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the general purpose financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the general purpose financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the general purpose financial statements referred to above present fairly, in all material respects, the financial position of the Mountain Lakes District, Haverhill, New Hampshire as of December 31, 1990, and the results of its operations and cash flows of its proprietary fund types for the year then ended in conformity with generally accepted accounting principles.

Our examination, was made for the purpose of forming an opinion on the general purpose financial statements taken as a whole. The supplemental schedule listed in the table of contents is presented for additional analysis and is not a required part of the general purpose financial statements of the Mountain Lakes District, Haverhill, New Hampshire. Such information has been subjected to the auditing procedures applied in the general purpose financial statements and, in our opinion is fairly stated in all material respects to the general purpose financial statements taken as a whole.

Vachon, Clukay & Co., PC

**MOUNTAIN LAKES DISTRICT
HAVERHILL, NEW HAMPSHIRE
NOTES TO GENERAL PURPOSE FINANCIAL STATEMENTS
December 31, 1990**

NOTE 1--SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The Mountain Lakes District is organized as a Village District (special purpose district) under the laws of the State of New Hampshire. The District is located within the town boundaries of Haverhill, New Hampshire and provides recreational services and water to the residents within the District. In addition, the District owns a ski area located within the District boundaries (See note 11 for details of lease agreement).

The accounting policies of the Mountain Lakes District conform to generally accepted accounting principles for local governmental units, except as indicated hereinafter. The following is a summary of significant accounting policies.

A. Basis of Accounting

Governmental funds utilize the modified accrual basis whereby revenues are recorded when susceptible to accrual, i.e., both measurable and available. Available means collectible within the current period or soon enough thereafter to be used to pay liabilities of the current period. Expenditures, other than interest on long-term debt, are recorded when the liability is incurred, if measurable. The accrual basis is used for all enterprise funds.

B. General Fixed Assets

Fixed assets are recorded at historical cost. Public domain (infrastructure) general fixed assets consisting of roads and bridges are not capitalized.

C. Interfund Transactions

During the course of normal operations, the District has numerous transactions between funds, including expenditures and transfers of resources to provide services, construct assets, and service debt. The accompanying financial statements reflect such transactions as transfers.

D. Total Columns on Combined Financial Statements

Total columns on the combined statements are captioned "Memorandum Only" to indicate that they are presented only to facilitate financial analysis. Data in these columns do not present financial position, results of operations, or changes in financial position in conformity with generally accepted accounting principles.

E. Cash and Cash Equivalents for Cash Flows

Cash and cash equivalents for statement of cash flow purposes consists of cash and interfund balances (representing cash transactions).

MOUNTAIN LAKES DISTRICT
HAVERHILL, NEW HAMPSHIRE
NOTES TO GENERAL PURPOSE FINANCIAL STATEMENTS (CONTINUED)
December 31, 1990

NOTE 1--SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

F. *Property Taxes*

Under State statutes, the Town of Haverhill, New Hampshire (an independent governmental unit) collects District taxes for the District from property owners located within the boundaries of the District. As collection agent, the Town is required to pay over to the District its share of property taxes collected through periodic payments based on cash flow requirements of the District. The Town assumes financial responsibility for all uncollected property taxes under State statutes.

G. *Compensated Absences*

The District does not accrue vested accumulated unpaid vacation or sick leave as is required by generally accepted accounting principles, but provides for compensated absences on a "pay as you go" basis. Amounts of vested compensated absences are immaterial to these financial statements.

NOTE 2--PURPOSE OF FUNDS AND ACCOUNT GROUPS

The District reports its activities in numerous individual funds to comply with the limitations and restrictions placed on both the resources made available to the District and the services provided. Individual funds and account groups summarized in the accompanying financial statements are classified as follows:

A. *Governmental Fund Types*

These funds are intended to provide recurring general services. They are controlled by a budget approved by the voters.

General Fund - used to account for all revenues and expenditures which are not accounted for in other funds as account groups.

B. *Proprietary Fund Types*

Enterprise Funds - are used to account for the operations of the District's Ski Area and Water Department which provide service on a user charge basis. The measurement focus is on income determination.

C. *Account Groups*

General Long-term Debt - This account group is used to account for the unmatured principal of the District's general long-term debt except that accounted for in the Proprietary Funds.

General Fixed Assets - This account group is used to account for the general fixed assets of the District that are not recorded in Proprietary Funds.

**MOUNTAIN LAKES DISTRICT
HAVERHILL, NEW HAMPSHIRE
NOTES TO GENERAL PURPOSE FINANCIAL STATEMENTS (CONTINUED)
December 31, 1990**

NOTE 3--CASH AND INVESTMENTS

The District's investment policy requires that investments be made in New Hampshire based financial institutions that are insured by the Federal Deposit Insurance Corporation. The District limits its investments to money market accounts and certificates of deposit in accordance with New Hampshire State Law (RSA 41:29). At year end, the carrying amount of the District's demand deposits and certificate of deposits was \$72,549 and the bank balance was \$86,423. All of the bank balance was covered by federal depository insurance.

NOTE 4--BUDGET

The District's budget represents appropriations as authorized by annual or special District meetings. The Commissioners may transfer funds between operating categories as they deem necessary.

NOTE 5--PROPRIETARY FUNDS - PROPERTY, PLANT AND EQUIPMENT

Following are the estimated useful lives used in determining the annual charge for depreciation in the Ski Area and Water Department:

	<u>Years</u>
Ski Area:	
Ski lifts and related equipment	10
Snow making equipment	10
Grooming and other equipment	10
Water Department:	
Water distribution system	40
Backhoe	10
Other light equipment	5

NOTE 6--INTERFUND RECEIVABLES/PAYABLES

Interfund receivables/payables at December 31, 1990 were:

<u>Fund</u>	<u>Interfund Receivables</u>	<u>Interfund Payables</u>
General	\$13,956	\$4,124
Ski area enterprise	9,571	19,403
Water enterprise	<u>\$23,527</u>	<u>\$23,527</u>

**MOUNTAIN LAKES DISTRICT

NOTE 7--GENERAL FIXED ASSETS

A summary of general fixed assets is as follows at December 31, 1990. In 1990, \$15,838 was added to the general fixed assets for building renovations made at the Community Center.

Land and buildings	\$203,439
Machinery and equipment	47,972
	<u>\$251,411</u>

NOTE 8--ENTERPRISE FUNDS - PROPERTY, PLANT AND EQUIPMENT

Following is a summary of Enterprise Funds - property, plant and equipment at December 31, 1990:

Land	<u>Ski Area</u>	<u>Water Fund</u>
Machinery and equipment	\$28,321	\$6,267
Water distribution system	315,394	397,342
	<u>343,715</u>	<u>403,609</u>
Less accumulated depreciation	218,337	52,410
	<u>\$125,378</u>	<u>\$351,199</u>

NOTE 9--LONG-TERM DEBT

The following is a summary of general obligation debt transactions of the Mountain Lakes District for the year ended December 31, 1990:

Debt Payable -	<u>General</u>	<u>Ski Area</u>	<u>Water</u>	<u>Total</u>
January 1, 1990	\$7,682	\$60,798	\$332,502	\$400,982
Principal Payments	(959)	(7,601)	(27,983)	(36,543)
Debt Payable -				
December 31, 1990	<u>\$6,723</u>	<u>\$53,197</u>	<u>\$304,519</u>	<u>\$364,439</u>

**MOUNTAIN LAKES DISTRICT
HAVERHILL, NEW HAMPSHIRE
NOTES TO GENERAL PURPOSE FINANCIAL STATEMENTS (CONTINUED)
December 31, 1990**

NOTE 9--LONG-TERM DEBT (CONTINUED)

Notes Payable at December 31, 1990 consist of the following issues:

**General Long-Term Debt Group of Accounts and Ski Area
Enterprise Fund:**

\$85,600 Ski Area and Tennis Court Notes of April 13, 1987 due in annual installments of \$8,560 through April 18, 1991 and a balloon payment of \$51,360 due April 13, 1992, interest at 7.00% \$59,920

Water Enterprise Fund:

\$353,935 Water Company Purchase Bonds of June 26, 1986 due in annual installments of \$15,000 to \$20,000 through February 15, 2006, interest at an average rate of 8.01% 275,000

\$44,229 Water Company Notes of February 2, 1989 due in monthly installments of \$914, including interest through February 2, 1994, interest at 8.8% 29,519

\$364,439

The annual requirements to amortize all debt outstanding as of December 31, 1990, including interest of \$173,737 are as follows:

Year Ended <u>December 31,</u>	General Obligation <u>Debt Payable</u>
1991	\$64,608
1992	103,712
1993	48,954
1994	37,300
1995	34,786
1996 - 2000	136,912
2001 - 2005	96,293
2006 - 2007	15,611
	<u><u>\$538,176</u></u>

General Obligation Debt is a direct obligation of the District for which its full faith and credit is pledged, and is payable from taxes levied on all taxable property located within the District.

**MOUNTAIN LAKES DISTRICT
HAVERHILL, NEW HAMPSHIRE
NOTES TO GENERAL PURPOSE FINANCIAL STATEMENTS (CONTINUED)
December 31, 1990**

NOTE 10--CONDITIONAL PURCHASE CONTRACTS

Conditional purchase contracts represent lease agreements or installment purchase contracts entered into for the financing of equipment purchases. These contracts are subject to cancellation should the District fail to appropriate funds to meet the payment obligations.

The following is a summary of conditional purchase contract transactions for the year ended December 31, 1990:

Conditional Purchase Contracts January 1, 1990	\$46,234
Cancellation of contract	(10,467)
Principal payments	(35,767)
Conditional Purchase Contracts December 31, 1990	<u> \$0 </u>

NOTE 11--LEASE OF SKI AREA

In July, 1989, the Commissioners entered into a lease purchase agreement involving the Monteau Ski Area. Under the terms of the agreement the District would receive rent of \$1,780 per month until July 15, 1990. The lessor defaulted on the lease in early 1990. No lease payments were received in 1990.

The District continued to try to lease the area throughout the year. In 1990, \$3,000 was recorded as lease revenue from a forfeited deposit. The area was not in operation during the year.

NOTE 12--RELATED PARTY TRANSACTIONS

In January, 1989, the District entered into a five year contract with a District employee for water rights to a well on the employee's property. The contract calls for minimum rent of the larger of \$6,000 annually or \$2.17 per user per month.

The above mentioned employee terminated his employment with the District on May 31, 1990. The District also purchased supplies and services from the employee's business both during and after his tenure of employment.

In June 1990, this former employee purchased from the District a backhoe and various tools of the water department. The District entered a contract with this individual's corporation for maintenance of the Water Department through March 31, 1991. The terms of the contract were \$25,500 to be paid in ten monthly installments of \$2,550 for regular maintenance of the water distribution system to be provided by the individual mentioned above. If a repair required the services of two people, the District will reimburse the wages of a second worker up to an additional \$5,000, costs in excess of \$5,000 will be paid by the corporation. Any labor and equipment provided beyond the scope of regular maintenance will be paid for on an hourly basis at \$20 for a laborer and \$45 for use of the backhoe including labor. On April 1, 1991 the

**MOUNTAIN LAKES DISTRICT
HAVERHILL, NEW HAMPSHIRE
NOTES TO GENERAL PURPOSE FINANCIAL STATEMENTS (CONTINUED)
December 31, 1990**

NOTE 12--RELATED PARTY TRANSACTIONS (CONTINUED)

District agreed to extend the contract on a monthly basis on the above terms. In June 1991, the District entered into a three year contract with the corporation to provide maintenance services to the water distribution system. The amount of the contract is \$91,800 to be paid in 36 monthly installments of \$2,550.

NOTE 13--LEGAL NONCOMPLIANCE

The District did not transfer money to a Swimming Pool and Tennis Court Capital Reserve Fund of \$9,000 which was voted at the March 17, 1990 annual meeting as required by New Hampshire RSA 35:12. State law requires that the monies appropriated be transferred on or before December 31 of the year of the appropriation to a separate account in the name of the District to be held by the Trustees of Trust Funds of the Town of Haverhill. The monies appropriated for the capital reserve have been shown as reserved fund balance in these financial statements.

NOTE 14--CONTINGENCIES AND COMMITMENTS

A. Litigation

District officials estimate that any potential claims against the District which are not covered by insurance are immaterial and would not affect the financial position of the District.

B. Other Matters

The District is considering all possible alternatives with respect to the future of the ski area including the sale or lease of the facility.

Annual Meeting
Haverhill Cooperative School District
March 21, 1991

James R. Morrill Elementary School
North Haverhill, NH

Patricia Buchanan	1991
Jeffrey Stimson	1992
Robert Maccini	1991
Everett Sawyer	1993
Wayne Fortier	1992
Jack Brill	1993
Raymond Aremburg	1992

Pursuant to the warrant, the meeting convened at the gymnasium of the James R. Morrill Elementary School at 10:00 AM on March 21, 1991.

Moderator Karl T. Bruckner called the meeting to order at 10:00 AM for the purpose of acting on Articles I and II, with action on the remaining Articles to be deferred until 7:30 PM. The ballot box was examined by Mr. Aremburg and Mr. Sawyer and found to be empty. The ballot box was locked and the polls were declared open until 7:00 PM.

The polls were declared closed at 7:00 PM and the ballot box was opened and the ballots were counted.

The Moderator called the meeting to order at 7:30 PM.

ARTICLE I: To choose, by non-partisan ballot, a Moderator for the ensuing year.

The Moderator announced the results of balloting: 263 for Karl Bruckner. A small

number of votes were cast for various other individuals. Mr. Bruckner was declared elected.

ARTICLE II: To choose by non-partisan ballot, two members of the school board, one from the pre-existing Haverhill School District for a term of three years; and one from the pre-existing Woodsville School District for a term of three years.

Mr. Bruckner announced the results of balloting: for the pre-existing Haverhill School District for a term of three years - Patricia Buchanan, 159 votes and Gary Scruton, 105 votes; for the pre-existing Woodsville School District for a term of three years - Robert Maccini, 57 votes and Bill Dolack, 7 votes. The Moderator declared Mrs. Buchanan and Mr. Maccini duly elected. The newly elected officers were sworn in by Moderator Bruckner and will take office upon the adjournment of this meeting.

ARTICLE III: To hear the reports of Agents, Auditors, Committees or officers chosen, and pass any vote relating thereto.

Mr. Holden moved as printed. Mr. Scruton seconded the motion. The motion was passed by voice vote.

ARTICLE IV: To see if the District will vote to authorize the School Board to make application for, to receive and accept on behalf of the School District such advances, grants-in-aid, or any other funds for educational purposes as may now or hereafter be available or forthcoming from the United States Government, the State of New Hampshire, or any of its municipalities, or any other

source, and to expend the same in accordance with RSA 198:20-b (Supp.).

Mr. Miller moved the Article as written. Mr. Holden seconded the motion. The motion was passed by voice vote.

ARTICLE V: To see if the District will vote to allocate to the Capital Reserve Fund an amount equal to 50% of the unencumbered balance for the fiscal year 1990-91 not to exceed the sum of twenty-five thousand dollars.

Mr. Holden moved the Article. Mr. Wellington seconded the motion.

Mr. Sedwick inquired as to what would be encumbered. Dr. McDonald informed him that we would not know until after June 30, 1991. Mr. Sedwick asked what were the funds used for. Dr. McDonald explained that the funds were used to improve the buildings. He said there is about \$2,000.00 in the fund now and cannot be spent without authorization from the voters at a school district meeting. The Article was passed by a voice vote.

ARTICLE VI: To see if the town will vote to decide all monetary issues in the future by Australian Ballot. (By Petition)

Mr. Miller moved to pass over this Article. Mr. Holden seconded the motion. The motion was passed by a voice vote.

ARTICLE VII: To see if the District will vote to approve the cost items of the factfinder's report relative to teacher salaries for the 1990-91 school year and the 1991-92 school year; and to raise and appropriate as a deficit

addition to the general appropriation made at the 1990 annual school district meeting, sufficient monies to fund all cost items relative to teacher salaries and fringe benefits for the 1990-91 school year which are contained in the factfinder's report and which represent the factfinder's recommended increase in cost items over the 1989-90 teacher salaries and fringe benefits;

AND further, to raise and appropriate a sum of money to fund all cost items relative to teacher salaries and fringe benefits for the 1991-92 school year which are contained in the factfinder's report and which represent the factfinder's recommended increase in cost items over the 1990-91 teacher salaries and fringe benefits.

Mr. LeBarron moved that the District vote to approve the cost items of the factfinder's report relative to teacher salaries for the 1990-91 school year and the 1991-92 school year, and raise and appropriate as a deficit appropriation, in addition to the general appropriation made at the 1990 annual school district meeting, the sum of \$124,286. to fund all cost items relative to teacher salaries and fringe benefits for the 1990-91 school year which are contained in the factfinder's report and which represent the factfinder's recommended increase in cost items over the 1989-90 teacher salaries and fringe benefits;

AND further, to raise and appropriate the sum of \$96,351. a sum of money to fund all cost items relative to teacher salaries and fringe benefits for the 1991-92 school year which are contained in the factfinder's report and which represent the factfinder's recommended increase in cost items over the

1990-91 teacher salaries and fringe benefits. The Article was seconded by Mr. Blake.

Mr. Ackerman requested that Mr. Fessenden, NEA Uniserve Director, be allowed to speak. Mr. Fessenden explained that five years ago the teacher's package was brought up to region average. The factfinder, Mr. Randall's, recommendation will drop teachers below 96.0% of the region average this year and 93.9% next year. He indicated that the teachers endorsed the report and urged the voters to support it.

Mr. Maccini explained that the school board had rejected the report. He explained that the report called for a 6.27% salary increase, for this year and a 4.73% for 1991-92. He said that since the factfinder's recommendation for 1990-91 was the same as the one previously rejected by the voters, the board felt they had no choice but to reject the report.

Attorney Kidder explained that the town voted down an increase of \$147,994. to fund costs items relative to teachers salaries and fringe benefits for the 1990-91 school year at the March, 1990 annual meeting. During the summer the teachers agreed to lower that amount. At a special school district meeting held in October, 1990, the town voted down an increase of \$129,878. The school board and teachers then went into factfinding. The factfinder's report suggested an increase of 6.27%, \$5,000. less than the \$129,878. If this is rejected, they will go back into factfinding.

Mr. Ackerman made a motion to vote on the Article. Mr. Holden seconded the motion. The motion was passed.

Mr. Miller made a motion to use ballot vote.
Mr. Blake seconded the motion. Motion was passed unanimously.

Mr. Bruckner announced the results of balloting: 163 - no, 137 - yes.
The Article was defeated.

ARTICLE VIII: To see if the District will raise and appropriate the sum of \$18,520. for the purpose of funding an architectural/marketing plan for Haverhill Academy and Alumni Hall. (By Petition)

Mr. Smith moved the Article. Ms. Dingman seconded.

Mr. Rutstein explained that these monies would be used to develop ways to market the Academy.

Mr. Maccini explained that no vote has been taken by the town to dispose of the property at this time.

Mr. Fortier informed the public that the school board does support this study.

Mr. Holden moved the Article. The motion was passed by voice vote.

The Article was then passed by voice vote.

ARTICLE IX: To see what sum of money the District will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received for the state foundation aid fund together with other

income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation which balance is to be raised by taxes by the town.

Mr. Stimson moved that: the district raise and appropriate the sum of \$4,862,272. for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received for the state foundation aid fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation which balance is to be raised by taxes by the town. Mr. Tuckehardt seconded the motion.

Mr. Foster questioned revenues. He wanted to know what happens if the district does not get all their revenues. Dr. McDonald informed him that with Federal revenues, the district only spends what they receive. As far as the Foundation Aid, only 96% of what we are expecting to get was budgeted and 75% of Vocational monies was budgeted.

Mr. Fortier explained that Building Aid would be down slightly. The district will get full funding for the 1991-92 school year but it will be reduced by as much as 13.5% for the 1992-93 school year.

Questions were asked about the \$146,000. in the budget for salaries and fringe benefits. It was asked what happens to that money since teachers haven't settled.

Atty. Kidder explained that the teachers and school board will go back to negotiating and try to settle with teachers within budget limitations. If that cannot be accomplished, an additional special school district meeting may be required.

The Article was moved by Mr. LeBarron and seconded by Mr. Whalen.

Mr. May moved to vote by ballot vote. Mr. Padden seconded the motion. Motion was passed.

Mr. Bruckner announced the results of balloting: 151 - yes, 128 - no. Article was adopted.

ARTICLE X: To transact any other business that may legally come before said meeting.

Mr. Holden made a motion to adjourn and Mr. Wellington seconded.

The meeting was adjourned at 10:15 PM

Respectfully submitted,

Lynda Fredenberg, Clerk
Haverhill Cooperative School District

SCHOOL WARRANT
THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Haverhill
Cooperative School District qualified to vote
in district affairs:

You are hereby notified to meet at the
James R. Morrill Elementary School Gymnasium,
N. Haverhill, New Hampshire on the 24th day of
July 1991, at 7:30 PM to act upon the Articles
set forth in this warrant.

ARTICLE 1: To see what sum the district
will vote to raise and appropriate for the
purpose of removing asbestos from School
District property; to determine whether such
appropriation shall be raised by the issuance
of an interest free note upon the credit of
the School District in accordance with the
provisions of RSA Chapter 33, as amended,
payable to the Environmental Protection Agency
or its designee; to authorize the School Board
to determine the time and place of payments of
principal and other provisions for the
issuance of said note, and to determine all
other matters in connection therewith; or, to
take any other action relative thereto.
(Two-thirds vote required)

ARTICLE 2: To transact any other business
that may legally come before said meeting.

Given under our hands this 12 day of
June, 1991.

Wayne Fortier

Patricia Buchanan

Jeffrey Stimson

Raymond Aremburg

Everett Sawyer

Jack Brill

Robert Maccini

SPECIAL MEETING
Haverhill Cooperative School Meeting
July 24, 1991

James R. Morrill Elementary School
North Haverhill, NH

School Board Members in attendance were:

Wayne Fortier	Everett Sawyer
Ray Aremburg	Jeff Stimson
Jack Brill	

Moderator Karl T. Bruckner called the meeting
to order at 7:32 PM.

ARTICLE I: To see what sum the district
will vote to raise and appropriate for the
purpose of removing asbestos from School
District property; to determine whether such
appropriation shall be raised by the issuance
of an interest free note upon the credit of
the School District in accordance with the
provisions of RSA Chapter 33, as amended,
payable to the Environmental Protection Agency
or its designee; to authorize the School Board
to determine the time and place of payments of
principal and other provisions for the
issuance of said note, and to determine all
other matters in connection therewith; or, to
take any other action relative thereto.
(Two-thirds vote required).

Wayne Fortier moved that the Haverhill
Cooperative School District vote to raise and
appropriate the sum of \$24,054.00 for the
purpose of removing asbestos from School
District property; such appropriation shall be
raised by the issuance of an interest free
note upon the credit of the School District in
accordance with the provisions of RSA Chapter
33, as amended, payable to the Environmental

Protection Agency or its designee; to authorize
the School Board to determine the time and place
of payments of principal and other provisions
for the issuance of said note, and to determine
all other matters in connection therewith; or,
to take any other action relative thereto.
Victor Smith seconded the motion.

There being no discussion, ballot voting began.

The results of the vote were:

15 yes votes

2 no votes

Twelve yes votes were required.

The article was passed by ballot vote.

ARTICLE II: To transact any other business
that may legally come before said meeting.

Douglas Teschner moved to adjourn the meeting.
Everett Sawyer seconded the motion.

The meeting was adjourned at 7:40 PM.

Respectfully submitted,

Lynda Fredenberg
Haverhill Cooperative School District

HAVERHILL
COOPERATIVE SCHOOL DISTRICT
WARRANT
SPECIAL SCHOOL DISTRICT MEETING

To the Inhabitants of the Haverhill
Cooperative School District, qualified to vote
in School District affairs:

You are hereby notified to meet at the James
R. Morrill Cymnasium in North Haverhill, New
Hampshire on the 25th day of September, 1991
at 7:30 o'clock in the afternoon to act upon
the Articles set forth in this warrant.

ARTICLE I: To see if the School District
will vote to raise and appropriate the sum of
Ninety-eight Thousand, Six Hundred Eighty-five
Dollars (\$98,685.00), which, when combined
with the money raised and appropriated at the
21 March 1991 annual school district meeting,
would fund all costs items related to teacher
salaries and fringe benefits for the 1991-92
school year, which result from negotiations
between the Haverhill Cooperative School Board
and the Haverhill Cooperative Education
Association, NEA New Hampshire, and which
represent the negotiated increase over the
1990-91 teacher salaries and fringe benefits.

ARTICLE II:
To transact any other business that may
legally come before this meeting.

Given under our hands this 28 day of
August, 1991

Wayne Fortier

Jeffrey Stimson

Jack Brill

Raymond Aremburg

Everett Sawyer

Patricia Buchanan

Robert Maccini

HAVERHILL COOPERATIVE
SCHOOL BOARD

SPECIAL MEETING
Haverhill Cooperative School Meeting
September 25, 1991

James R. Morrill Elementary School
North Haverhill, NH

School Board Members in attendance were:

Wayne Fortier	Everett Sawyer
Ray Aremburg	Jeff Stimson
Jack Brill	Pat Buchanan

Moderator Karl T. Bruckner called the meeting to order at 7:33 P.M.

ARTICLE I: To see if the School District will vote to raise and appropriate the sum of Ninety-eight Thousand, Six Hundred Eighty-five Dollars (\$98,685.00), which, when combined with the money raised and appropriated at the 21 March 1991 annual school district meeting, would fund all costs items related to teacher salaries and fringe benefits for the 1991-92 school year, which result from negotiations between the Haverhill Cooperative School Board and the Haverhill Cooperative Education Association, NEA New Hampshire, and which represent the negotiated increase over the 1990-91 teacher salaries and fringe benefits.

Wayne Fortier moved that the Haverhill Cooperative School District vote to raise and appropriate the sum of \$98,685.00, which, when combined with the money raised and appropriated at the 21 March 1991 annual school district meeting, would fund all costs items related to teacher salaries and fringe benefits for the 1991-92 school year, which result from negotiations between the Haverhill Cooperative School Board and the Haverhill Cooperative Education Association, NEA New

Hampshire, and which represent the negotiated increase over the 1991-92 teacher salaries and fringe benefits. Everett Sawyer seconded the motion.

Discussion on the Article followed with Ray Aremburg explaining the new settlement. He explained that the Haverhill Cooperative teachers are willing to forego a raise for the 1990-91 school year and to accept a base salary of \$21,500.00 for the 1991-92 school year. He further explained that the total package was \$245,094.00 of which, \$98,685.00 was needed in addition to the budget approved in March, 1991. He also explained the anticipated increase in the tax rate is \$.99 of which \$.83 was raised in March, 1991, therefore the total additional impact is actually \$.16 over what has already been approved.

Homer May asked what was spent for salaries last year. Dr. McDonald reviewed the figures and also explained that the \$245,094.00 included Co-Curricular plus FICA, Retirement, Health Insurance, Life Insurance, Workmen's Comp. etc.

Jonathan Rutstein wanted to know what the average increase in salaries was going to be. Dr. McDonald informed him that the total average was approximately 11%. Dr. McDonald also explained that the proposed starting salary of \$21,500.00 was less than the present North Country average of \$22,079.00.

Fran Rutstein asked about the extra monies that were budgeted for teachers and administrators that had left during the summer. Dr. McDonald informed her an additional teacher was hired for a special ed student. If this student was sent

out of district, the cost would be around \$60,000.00 for a year. By hiring an additional teacher, the cost will be \$40,000.00 and this teacher will also be able to serve other students.

Mike Ackerman made a motion to move the question. Motion was seconded by Jay Holden and passed by voice vote.

Homer May moved for the vote to be done by ballot. Fran Rutstein seconded this motion and it passed by voice vote.

After Everett Sawyer inspected the ballot box, the ballot vote was taken and counted by Homer May, Scott Edwards and Mrs. Miller. The results were:

108 yes votes

45 no votes

The Article was passed.

ARTICLE II: To transact any other business that may legally come before this meeting.

Mike Ackerman moved to adjourn the meeting. Regis Roy seconded the motion. Motion carried by voice vote.

The meeting was adjourned at 8:15 P.M.

Respectfully submitted,

Lynda Fredenberg, Clerk
Haverhill Cooperative School District

SCHOOL WARRANT

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Haverhill Cooperative School District qualified to vote in district affairs:

You are hereby notified to meet at the James R. Morrill Elementary School Gymnasium, North Haverhill, New Hampshire on the 19th day of March, 1992, polls to be open for the election of District Officers at 10:00 o'clock in the forenoon and to close not earlier than 7:00 o'clock in the afternoon. Action on all remaining articles to commence at 7:30 o'clock in the afternoon.

ARTICLE 1: To choose, by non-partisan ballot, a Moderator for the ensuing year.

ARTICLE 2: To choose by non-partisan ballot, three members of the school board, one from the pre-existing Haverhill School District for a term of three years; one from the pre-existing Woodsville School District for a term of three years; and one member at large for a term of three years.

ARTICLE 3: To hear the reports of Agents, Auditors, Committees or officers chosen, and pass any vote relating thereto.

ARTICLE 4: To see if the voters of the district will accept the provisions of RSA 198:20-b providing that any school district at an annual meeting may adopt an article authorizing indefinitely, until specific rescision of such authority, the school board to apply for, accept and expend, without further action by the school district, money from a state, federal or other governmental unit or a private source which becomes available during the fiscal year.

ARTICLE 5: To see if the District will vote to allocate to the Capital Reserve Fund an amount equal to 50% of the unencumbered balance for the fiscal year 1991-92 not to exceed the sum of twenty-five thousand dollars.

ARTICLE 6: To see if the district will vote to amend Article 3 of the Articles of Agreement between the School Districts of Haverhill and Woodsville to read "The Haverhill Cooperative School District shall be responsible for grades K through 12. Grades K-3 shall be at Woodsville, utilizing the Woodsville Elementary School, grades 4-8 shall be at North Haverhill, utilizing the Haverhill Cooperative Middle School and grades 9-12 shall be at Woodsville utilizing Woodsville High School. (This article to become effective at the beginning of the 1992-93 school year.)

The present Article 3 reads: The Haverhill Cooperative School District shall be responsible for grades K through 12. Grades 7 and 8 shall be at Haverhill, utilizing the present Haverhill Academy buildings. Grades 9 through 12 shall be at Woodsville using the present Woodsville High School facilities. Elementary schools shall be located at Woodsville (Woodsville Elementary) and in North Haverhill (Morrill Elementary). The grade level of those schools shall be, grades K-3 at the Woodsville Elementary School and 4-6 at the Morrill Elementary School. (Amended March 17, 1988)

<u>Haverhill</u>	1 member 1993
	1 member 1994
<u>At-Large</u>	1 member 1993
	1 member 1994
	1 member 1995
<u>Woodsville</u>	1 member 1994
	1 member 1995

All members of the Cooperative School Board shall be elected for three year terms. The members of the Cooperative School Board shall assume office at the close of the annual meeting. All members of the Cooperative School Board shall be elected by the use of the non-partisan ballot system under the provisions of R.S.A. 59." (by petition)

The present Article 2 reads: "There shall be seven members of the cooperative school board of the Haverhill Cooperative School District, three from each pre-existing district and one member-at-large. The voters of each pre-existing district shall be entitled to elect qualified voters of their district as members of the school board at the organization meeting and thereafter to select their successors, by voting separately and using a distinctive ballot at the organization meeting and at later annual cooperative school district meetings. The member-at-large shall be elected by the cooperative district as a whole. Members of the cooperative school board who are elected and qualified at the organization meeting shall hold office until their respective successors have been elected and qualified at the annual meeting of the cooperative school district held in the years indicated below:

ARTICLE 7: To see if the district will vote to amend article 2 of the Articles of Agreement between the School Districts of Haverhill and Woodsville to read: "There shall be seven members of the Cooperative School Board of the Haverhill Cooperative School District. Two from each pre-existing district and three members-at-large. All members shall be elected by the Cooperative District as a whole using one checklist. Members of the Cooperative School Board who are elected and qualified at the annual meeting shall hold office until their respective successors have been elected and qualified at the annual meeting of the Cooperative School District held in the years indicated below.

Haverhill 1 member 1970
1 member 1971
1 member 1972

At Large 1 member 1972

Woodsville 1 member 1970
1 member 1971
1 member 1972

All members of the cooperative school board shall be elected for three year terms except those members elected at the organizational meeting. The members of the cooperative school board shall assume office at the close of the organization meeting and thereafter at the close of the annual meeting. All members of the cooperative school board shall be elected by the use of the non-partisan ballot system under the provisions of R.S.A. 59."

ARTICLE 8: To see if the school district will vote to authorize the Haverhill Cooperative School Board to convey to the town of Haverhill real estate consisting of the James R. Morrill Elementary School building and grounds upon such terms and conditions as the School Board may deem appropriate for consideration paid less than one dollar and upon express conditions that said Selectmen agree to assume and pay any costs and expenses relative to rendering the title of the foregoing real estate marketable, to hold the school district harmless with respect thereto and to indemnify the school district against liability therefore.

ARTICLE 9: To see what sum of money the district will vote to raise and appropriate for asbestos removal at the Woodsville Elementary School.

ARTICLE 10: To see what sum of money the district will raise and appropriate to enter into a twenty-four month lease purchase agreement for the purpose of obtaining a lawn and garden tractor and trailer.

ARTICLE 11: To see what action the voters wish to take in considering purchase of Page property.

ARTICLE 12: To see if the District will vote to approve the cost items of the factfinders' report relative to teacher salaries and fringe benefits for the 1992-93 school year and to raise and appropriate a sum of money to find all cost items relative to teacher salaries and fringe benefits for the 1992-93 school year which are contained in the factfinders' report and which represent the factfinders' recommended increase in cost items over the 1991-92 teacher salaries and fringe benefits.

ARTICLE 13: To see what sum of money the District will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state foundation aid fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation which balance is to be raised by taxes by the town.

ARTICLE 14: To transact any other business
that may legally come before said meeting.

Given under our hands this 18 day of February
1992.

M. E. Ingalls
District Treasurer

REPORT OF THE SUPERINTENDENT
OF SCHOOLS

To the School Board and citizens of the Haverhill Cooperative School District, I submit my fifth annual report.

Building projects have continued to take a great deal of time in the SAU this year. The additions and renovations to both Woodsville Elementary School and Woodsville High School were completed this summer. The new Haverhill Cooperative Middle School is under construction and it is expected to be completed in August, 1992. The newly renovated schools look wonderful and we are all looking forward to moving to the new middle school.

In addition to the projects in the Haverhill Cooperative School District, the addition and renovation project has been completed at the Piermont Village School, renovations to the Lin-Wood Middle High School are underway and the new Lin-Wood Elementary School opened to students in grades K-5 this September. The Lin-Wood Elementary School was just selected as one of fifty school building projects throughout the United States to be featured as part of the 43rd Annual Exhibition of School Architecture.

Curriculum development, evaluation and revision have also been a major priority in the SAU. A committee of school board members, administrators and teachers developed a mission statement and curriculum goals and objectives which have been adopted by each school board in SAU 23.

Mission Statement:

The fundamental aim of public education in SAU #23 is to provide opportunities for every person to develop a positive self image, to become an effective, functional, and responsible citizen and to appreciate and understand his/her role in the global community.

Curriculum goals and objectives were established in the following areas (1) communication skills; (2) mathematics; (3) science; (4) social studies; (5) arts, humanities and literature; (6) health education; (7) analytical thinking; (8) self-esteem; (9) family living and work; (10) future studies. The SAU 23 mission statement and curriculum goals and objectives were included as a suggested model in the New Hampshire School Administrators' Association report by the task force on student alternative assessment.

The SAU has also established a curriculum advisory council made up of teachers, administrators and school board members to coordinate our efforts in curriculum improvement. Specifically the goals and objectives of the Curriculum Advisory Council are:

1. to facilitate the development, implementation, coordination, evaluation and revision of a written curriculum for the instructional program in SAU 23. (A five year cycle has been established to insure curricula in all areas will be developed, evaluated and revised.)

2. to provide professional and technical advices on curriculum issues and concerns to constituent boards in SAU #23.

3. to advocate the importance of curriculum to boards, administration, staff, students and communities.

At present, curricula in mathematics and science have been completed; health education, music, IA technology, language arts and computer science are in progress and other areas are scheduled to begin work in 1992-93. We believe that a well designed, coordinated and sequential curriculum will have a positive impact on the instructional programs within the SAU.

Other SAU goals include continuing to expand our gifted and talented program, developing building maintenance manuals for each school, finalizing the revision of the school board policy manual and expanding our student drug and alcohol awareness program. Toward that effort we have been awarded a federal grant to employ a part time drug, alcohol and health education coordinator, and the Haverhill Cooperative School District has become involved in the DARE program.

This year we have had a number of administrative changes in the district. Mr. Richard Fagnant was selected as the new principal of the Woodsville Elementary School, and Mr. Donald Weisburger and Mrs. Barbara Uresky were selected as Interim Principal and Interim Assistant Principal of the Haverhill Cooperative Middle School. We are pleased to welcome them to their new leadership roles.

The Haverhill Cooperative School Board, working with Dr. Richard Goodman, Executive Director of the New Hampshire School Board Association developed and adopted the following goals. The board welcomes your suggestion and/or assistance in helping them attain them.

Short Term Goals

1. To establish a network of communication which will increase public awareness and appreciation of our schools.
2. To develop plans and procedures for the opening of the middle school.
3. To increase public understanding of the school district budget.

Long Term Goals

1. To improve student performance and raise educational expectations.
2. To meet state and regional standards by addressing staffing and program needs.
3. To unify the K-12 curriculum.
4. To explore how technology can facilitate school district goals.

In closing, I would like to thank the school board, administration, faculty, staff, parents, students and members of the community for your continued support of our schools. Working together, we can continue to make our schools a special place for children.

Respectfully submitted,

Douglas B. McDonald, Ed.D

SCHOOL ADMINISTRATIVE UNIT #23
REPORT OF SUPERINTENDENT'S AND
ASSISTANT SUPERINTENDENTS' SALARIES

Section 5, Chapter 243, Laws of 1953 of the State of New Hampshire requires that school district annual reports show the total amount paid to the Superintendent and Assistant Superintendents.

One-half of the School Administrative Unit expenses is prorated among the several school districts of the Unit on the basis of adjusted valuation. One-half is prorated on the basis of average daily membership in the schools for the previous school year ending June 30. The Superintendent of S.A.U. #23 during the 1991-92 school year will receive a salary of \$69,260.00 prorated among the several school districts. The Assistant Superintendents will receive salaries of \$55,700.00 and \$51,700.00 prorated among the several school districts.

The table below shows the proration of salaries to each school district:

	SUPERINTENDENT'S SALARY
Bath	\$ 3,138.00
Benton	436.00
Haverhill Cooperative	23,846.00

REPORT OF THE
ASSISTANT SUPERINTENDENT OF SCHOOLS

I herewith submit my third annual report to the voters of the Haverhill Cooperative School District.

Again this year, there have been a multitude and variety of projects to contend with. Major renovations and additions at Woodsville Elementary and Woodsville High were begun in the spring and finished in the late summer. Compliments should go to CMK Architects and H. P. Cummings, the contract management firm, for the completion of this work in an extremely limited time frame.

In relation to these projects, the voters of the district agreed to accept a grant/loan from the Environmental Protection Agency for the removal of asbestos. The firm of Claypoint Associates, Inc. should also be complimented for the planning and coordination of these projects as should Rickett Associates for the actual removal.

The new middle school is rapidly taking shape. In fact, the progress has been remarkable to see. Many compliments to the crews working on the project.

This new building, along with the renovations and additions at the other sites, bring the school system into compliance with all codes, rules and regulations with a variety of state and federal agencies. When completed, it will surely become a focal point of town pride.

Although it is impossible to list all of the individuals and their efforts to bring about this project, some should be noted: Archie Steenburgh and Chuck Butson for leading two building committees, Victor Smith for moving the group to a contract management system for its economies, Steve Wellington for his plan for the future and Dick Guy for the proposal document. And, to all of the other citizens who spent hours putting together the proposal, thank you for the opportunity to work with you. There are other people who also need mentioning: Bernie Marvin for his continued coverage in print and on the radio; Bob Maccini, Jack Brill and Everett Sawyer, who, as the School Board's Building Committee have watched over the entire project. They have spent endless hours at site meetings to ensure that the School Board has been kept informed throughout the projects.

It has been exciting and gratifying to work on these projects. It has also been time consuming and wearing. As the projects begin to close out, attention turns to the other issues of curriculum, standards and budgets.

I look forward to working with the Haverhill Cooperative School Board, the administration, the faculties and staff, the students and the parents of this community in the days to come.

Respectfully submitted,

James Gaylord
Assistant Superintendent

REPORT OF THE SAU 23
DIRECTOR OF SPECIAL EDUCATION

To The School Board and voters of the Haverhill Cooperative School District, I submit my fourth annual report.

During the '90-'91 school year Haverhill Cooperative provided special education to 139 students: 11 pre-school, 99 elementary, and 29 secondary.

This is the second year that students with moderate and severe disabilities have been educated in their home schools in age-appropriate classrooms. A strong team of paraprofessionals work with the classroom and special education teachers to support the needs of students. To assist paraprofessionals to further develop their skills, training was offered. Twelve hours of training covered characteristics and instructional strategies for specific disabling conditions, and developing a cooperative team between the paraprofessional and classroom teacher. Training was offered to teachers and paraprofessionals at the April Staff Development Day in "Inclusive Education in the Middle School," "Teaching Organizational and Study Skills," and "Accommodating Secondary Students with Learning Disabilities."

In an effort to develop more mainstream placements for pre-school special needs students, Special Needs Office personnel have been actively involved in the planning of the Haverhill Child Care Center opening in Woodsville. Karen Wetherbee, SAU 23 Pre-School Coordinator, will be working closely with the Center to provide special education for eligible children beginning at age three. Karen and

Woodsville Elementary Staff had a child check clinic in June, 1991 where ten children were screened. A child check screening is available anytime during the year by calling the SAU 23 Special Needs Office.

Another project started during '90-'91 was the development of a crisis response plan to be used throughout SAU 23. The plan assists administrators and staff to identify a building based team with specified rules in the event of an emergency such as death or natural disaster. In relation to this, training was offered by Tracy LeGrow, SAU 23 School Psychologist to develop the building plan, and "Dealing with Grief and Loss in the Classroom." Mike Amsden, SAU 23 Special Education Consultant, provided twelve hours of training to administrators in "Non-Violent Crisis Intervention."

A final project initiated during the year was the revision of the IEP and progress report forms. Questionnaires sent to teachers and parents gave valuable input on what was most useful, and was considered in devising the new format which is now in use.

Respectfully Submitted,

Phyllis A. McKenna
SAU 23 Director of Special Education

Woodsville High School Principal's Report

I hereby submit my annual report of Woodsville High School for the year ending June 30, 1991.

Probably the most gratifying event that happened this year was the passing of the bond in order to start construction and renovation projects. As a person who was part of the original Long Range Planning Committee which became the Building Committee, I know it was difficult to sit through meeting after meeting for six years, never knowing if what we were discussing would ever become a reality in this town. I believe that part of the reason for the bond passage was that such a cross section of the town took part in those meetings year after year.

Our mission for the past three years has been to make everything we do at Woodsville High School better. We realize that excellence in everything we do is a very lofty goal, but we believe that we have the staff to pursue it. We continue to make progress in lowering our dropout rate. It is now at three percent and has been cut in half in the last two years. Our attendance rate was ninety-four percent last year and seems to be stable at this time. Although both of these statistics are lower than the state average, we are in no way satisfied with them.

The high school staff continues to work on curriculum along with the S.A.U. To date, we are piloting the Math Curriculum and we are working on Science, Music, Technology and Language Arts. Although progress is slow we all feel that the result will be lasting and meaningful as it impacts our schools in the future.

We are expecting a visitation from the New England Association of Schools and Colleges in September 1992. Woodsville High School has been a member of this accreditation board since 1962, and now that we have taken care of fixing the buildings we don't anticipate problems when the evaluation team comes through. We do need to make our Technology Education program full time for the 1992-93 school year. This is something that has been requested by us for eight years.

Staff changes at Woodsville High School in the fall of 1991 include: Mrs. Susan Rand and Mr. Robert Scianna were hired to replace Mrs. Lee Davidson and Mrs. Lorraine Taft in our Study Skills Center. Mrs. Mary Dole and Mrs. Judy Brown were hired as aides, also in the Study Skills Center. Mr. Mark Heels replaced Mr. Carlos Cutler as Technology Education instructor, currently shared with the junior high school. Ms. Jaline Riendeau was hired to teach Math classes at Woodsville High School in the afternoon and Haverhill Academy in the morning. Mrs. Cheryl Lafond was hired to replace Mrs. Marie Cope in Music, and Ms. Ramona Belanger replaced Mr. Guy Mitchell in the Jobs For N.H. Graduates/Opportunity Awareness Program.

One of the most significant things that happened during the 1990-91 school year was that John Bagonzi decided to retire after teaching at W.H.S. for 33 years. John will be missed by all of us because of his dedication and loyalty to this high school.

I could go on and on about John and the memories that he left behind for W.H.S. and for this town, but I feel it is more appropriate to thank him and his wife, Dreamer, for all they have done, both with us and for us over the years. Thanks, John. I am sure I speak for everyone in the school district when I say that you will be missed by all of us.

There are many people who have contributed to our numerous successes this year. Without their generous support our job would be much more difficult.

I would like once again to thank the Haverhill Academy Corporation for their generous support toward enhancing our programs this past year.

To Carol and Chip Harris for their support and donations to the Citizens For Scholarships Fund.

To the Woodsville Area Booster Club for their generous contributions in both time and money, toward both academic and extracurricular activities. This year Jim Walker decided to step down as president of the Booster Club. I know I speak for all of us here at the high school when I express our gratitude to you, Jim, for your service and loyalty to this school.

I would like to thank Superintendent Dr. Douglas McDonald, Assistants Mr. James Gaylord and Dr. Keith Pfeifer, and all of the members of the Haverhill Cooperative School District Board for their support.

Once again I wish to recognize the teachers, coaches and support staff for their hard work and dedication this past year. This community is very fortunate to have as hardworking and professional a staff as we do. It is obvious that our successes are most directly related to the staff's efforts.

We will continue to stress our academic program here. Woodsville High School is like a family and I believe we are developing a reputation for the spirit, hard work and discipline displayed by our students. I look forward with enthusiasm to the work that lies ahead of us.

Respectfully submitted,
Bruce C. Labs, Principal

Haverhill Cooperative School District
Woodsville Elementary School
Principal's Report for 1991-92

You should be very proud of the changes in Woodsville Elementary School. The new classrooms, library, and renovations express a friendly welcome to everyone who visits the school. Some visitors who had seen it a year ago cannot believe the changes. It presents a warm physical climate which is kept well polished by our custodians. In addition to the physical climate, there is a warm atmosphere of respect, cooperation, and a sense of well-being throughout the school. A good school climate is a prerequisite to establishing a good learning atmosphere. Children want to feel safe; they expect rules and respond to boundaries which define expectations. A good school climate is reflected in improved attendance. Good attendance is reflected in school progress, success, and achievement.

I am very favorably impressed with the curriculum development activities and improved instructional organization efforts which have been on-going during previous years. The new mathematics curriculum was completed last summer and is being used now by all teachers in SAU #23. The first draft of the science curriculum was placed in the hands of staff in mid January and will be revised based on input from teachers. The fact that curriculum guides are being developed does not mean that good instruction has not been taking place. It means that instruction in the various disciplines will be more uniform and comprehensive. Working on curriculum guides is very time consuming. However, it is very beneficial as a staff develop-

ment activity and provides an opportunity for teachers to share ideas and become better team players. As they work on these projects, they take ownership of the product and work very hard to assure that the product will assure desired outcomes for our students.

In addition to curriculum development work, the staff is constantly participating in activities in the interest of providing improved educational opportunities

for your children.. On October 23-25, eight staff members, including myself, participated in training in "Here's Looking at You 2000," a curriculum designed to train teachers to teach children about substance abuse and the effects of alcohol. On November 6 and 7, four teachers received training in Hands-on Elementary Science. Emphasis on the improvement of mathematics is a daily topic. In December, Michael Amsden, resource room teacher at this school with special training in behavior management, started teaching a six week course in Cooperative Discipline. All staff members are participating in this in order to improve on uniform disciplinary procedures. Our school nurse, Margie Wilson, recently organized a course in first aid and CPR to be taught by the Woodsville Rescue Team. Several staff members took this training for the first time. Several others took the training to renew their certificates. Our school nurse is a very valuable person in this school. In addition to maintaining records and doing hearing and vision checks as mandated by law, the school nurse attends to numerous needs of our varied school population. The school nurse is the first person contacted whenever epidemics such as chickenpox and head lice become apparent. More importantly, there

are children with severe and complex medical needs who must be treated in school by properly trained personnel. Our school nurse, with limited time, has been called upon to help families resolve special crisis situations, because the success of children in school was being affected.

Reading Recovery is a new tutoring program at WES. Mrs. Donna Hart and Mrs. Lois Henson are receiving extensive training in the implementation of this program. Upon the recommendation of the kindergarten, transition, and first grade teachers, a pool of children was identified. For various reasons, the teachers felt that these children might develop a problem in reading. The children were tested by Mrs. Hart and Mrs. Henson using the Reading Recovery Diagnostic Survey. This instrument measures letter identification, written vocabulary, concepts of print, and text reading. From this pool of 20 chil-

dren, the 8 who seemed to be able to profit most from the program were selected for the intensive 30 minute, 5 days a week schedule. The children are instructed in an individual 1:1 session. The Reading Recovery Program uses many techniques familiar to reading teachers. It is designed as an intervention with first graders only. The theory is that the beginning readers have not had time to develop poor reading habits. Helping them to develop their strengths into good reading strategies is our goal! The Reading Recovery Program has had excellent results in the states in which it has been used. This results of this program at WES are excellent, and we hope to maintain it.

Many people make contributions to the school in many ways. We have people who

come to share customs and traditions about cultures and holidays. We have individuals who have contributed calculators and computers. Some have made generous donations toward projects for the benefit of all students. The gift which we notice most is the gift of time which volunteers make weekly or daily to come and work with staff and students. These people have become an important part of our school family and are missed when they are unable to be here. I wish to thank Mrs. Jeanette Lund and Crystal McClintock for being here everyday. On behalf of the staff and students, thanks to everyone who has contributed to the school in any way.

In closing, I wish to say thank you for the opportunity to be here as your school's leader. For some time I have had the desire to be where the real learning action is. Children face a great future by starting their formal education here. It is very exciting. I appreciate the continued support from the administration, school board members, staff, parents, children, and community which I have received since arriving for the opening of school.

I welcome you to visit us.

Respectfully submitted,
Richard A. Fagnant
Principal

"We are now at the point where we must educate people in what nobody knew yesterday, and prepare in our schools for what no one knows yet but what some people must know tomorrow." Margaret Mead

HAVERHILL COOPERATIVE SCHOOL DISTRICT

HAVERHILL COOPERATIVE MIDDLE SCHOOL

PRINCIPAL'S REPORT FOR 1990-91

Haverhill Academy Junior High and James R. Morrill Elementary School came together in 1991 to form the newly created Haverhill Cooperative Middle School. Enrollment at James R. Morrill increased during the year, reaching 184 students by year's end. Haverhill Academy enjoyed a student population of 139.

The Middle School welcomes many new staff members this past year. Barbara Uresky moved from the classroom to the role of Assistant Principal. Replacing Mrs. Uresky as a fifth grade teacher was Mrs. Cynthia Benoit. At James R. Morrill, Mrs. Jeannine Bogielski was hired as a fourth grade teacher, Jonathan Bownes came aboard as a sixth grade teacher. Mrs. Donna Hansen became the resource room aide, and John Carroll, Mrs. Heidi Locke and Mrs. Debra McDanolds were hired as classroom aides.

The Mathematics Curriculum Task Force completed the Math Curriculum and implemented it into the Middle School. Teachers are using the curriculum as a foundation and tool to provide our students with a well rounded, successful math program.

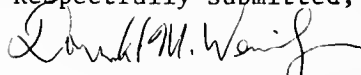

Throughout the year the Middle School teachers were involved in creating curriculums. Mrs. Jennifer Clogston and Mrs. Glenda Evans worked on the Language Arts Curriculum Committee, Mr. Robert McConville helped in developing the Health Curriculum, Mr. Jonathan Bownes and Mrs. Jaline Riendeau participated on the Math Curriculum team, Mrs. Barbara Uresky and Mrs. Susan DeClue represented the Middle School on the Science Curriculum Committee, Mrs. Pam Braley

worked on the Curriculum Council, Mr. Mark Heels helped develop the Technology Education Curriculum and Mr. Robert Stevenson and Mr. David Heintz participated on the Music Curriculum Committee. As you can see the staff was extremely involved in developing working curriculums for our students.

In the Arts, Middle School students put on the musical "Oliver". They performed for parents as well as students at Woodsville Elementary School. Middle School students also participated in the production of "Annie", which performed to sold out crowds at the Community Building. A seventh and eighth grade acting troupe put on the short play "The Ransom of Emily Jane" for students in Haverhill, Bath, Monroe and Woodsville. Both the James R. Morrill and Haverhill Academy Bands grew in numbers and advanced technically.

In closing, I would like to thank the faculty and students of the Haverhill Cooperative Middle School for consistently striving towards excellence.

REPORT OF THE SCHOOL NURSE
Haverhill Cooperative School District
1990-1991

Number of pupils	850
Number of School Visits	253
Number of Home Visits	14

Communicable Diseases Reported:

Chicken Pox	38
Pediculosis	53
Conjunctivitis	8
Impetigo	6
Pneumonia	5
Ring Worm	1
Strep Infections	44
Mononucleosis	1
Scabies	2
Scarlet Fever	2
Bladder infections	2

Dental Clinic:

Number examined and treated	36
-----------------------------	----

Immunizations:

Tetanus and Diptheria Boosters	61
Sabin Oral Polio	1
MMR	19

Screening Tests Done:

Vision	1198	Referred	46
Hearing	1041		6
Scoliosis	291		13
Urinalysis	123		0
Hemoglobin	123		0
Blood Pressures	130		0
Teachers	32		
Inspections (Pediculosis)		2746	
Heights		990	
Weights		1020	
First Aide		1208	
Pregnancy		2	
Heart Murmur		1	
Drug Overdose		1	
Dog bite		1	

The 1990-1991 school year began with the school health services shared by two-part nurses. Though this arrangement has worked in the past, we are both finding, with the increasing enrollment, more hours are definitely needed to complete the required screenings and mandated report writing.

In the fall and spring students participating in sports at the junior and senior high school received physicals at school by Dr.

Gerry Lyons or privately with their family physician. Any defects noted were referred to the parents for follow-up with their own physician.

The annual immunization survey, required by the State of N.H., was completed in November. Most new students were up to date. Those who did not meet the state's minimum requirements were brought up to date by their family physician or at the local well child clinic or school clinic.

On October 9, 1990 the N.H. Department of Public Health held their annual preschool vision and hearing program at Woodsville Elementary school. Fifty-three children participated in the program. There were 10 referrals made for vision and/or hearing failures. A special thank you is extended to the high school students who help with this program every year. A special thank you is also extended to the Lions Club for their financial sponsorship.

All hearing and vision screenings were completed. Students who fail these screenings initially are retested before a referral is made. Throughout the year the Lions Club assisted in obtaining eye examinations and glasses for students in financial need. Again we wish to thank the Lions Club for their continued support.

All heights and weights were completed. Scalp inspections for pediculosis were completed at the appropriate times.

Screening physicals were completed in grades four, eight and eleven. This examination includes a urinalysis, hemoglobin and blood pressure evaluation.

Scoliosis screening was conducted in grades five through eight. This examination is done to detect curvature of the spine. Any defects noted were referred to the parents for follow-up with their family physicians.

In October the Haverhill Police Department did a presentation for all students in grades K-6 at JRM and WES in celebration of National Red Ribbon Week for a drug free America.

In January and February a presentation on dental health was presented to the kindergarten and Transition class at Woodsville Elementary. This presentation included a film on dental care and nutrition, followed by a discussion.

The D.A.R.E. Program was initiated at both WES and JRM. The program initially started with Chief Ken Chase from the Campton Police Department. The Haverhill Police Department then instituted Barry MacDonald as the D.A.R.E. instructor for this program, which ended with our first successful graduation for all students who participated in grades five and six. Those students of grades three and four also ended their programs with much knowledge and rewards.

During the month of March kindergarten students participated in

"Teddy Bear Physical Day." This program gives children the opportunity to understand and alleviate fears that might arise when they seek medical attention from the school nurse or their own family physician.

In April an immunization clinic was held at each school in the district. Also during the month of August an immunization clinic was held at the Cottage Hospital Walk-In Clinic. This clinic was held in conjunction with the Haverhill-Cooperative School District and the state of N.H. for the those students who needed to comply with N.H.'s minimum standards, specifically those students who needed to receive their MMR Booster before entering grade seven.

In the spring the dental clinic was held at Dr. Phillip and Dr. Robert Munson's office in Bradford Vt. Thirty-six elementary students participated in this clinic. Monies for the clinic came from money raised at the school district meeting along with donations from the following organizations: The Haverhill Chapter of the Salvation Army, Woodsville United Methodist Women, and the VFW Auxillary, Haverhill Memorial Post #5245. The money, that was donated was used to cover the cost at the clinic and the transportation of the students.

During the month of April JRM held its second highly successful Health Fair for all students in grades 4-6. Many of our local businesses participated by either donating an item, food, or their time to make this event a success. Again a very special thank you to all those who donated in one way or another. The students greatly enjoyed the opportunity to learn and expand their knowledge on many health issues such as; nutrition, the respiratory system, bike safety, CPR, skin care, rain forests, seat belt safety, xrays, the cardiovascular system, our emergency system, and many other health related issues.

During the school year the Woodsville High School S.A.D.D. Chapter did alcohol and drug prevention programs for grades K-8. The N.H. Teen Institute did a similar presentation for grades 9-12. In April a blood pressure technique class was taught at Woodsville High School.

During the month of May a film on menstruation was shown to grades 4 and 5 at Morrill Elementary. Information on female growth and development was presented to the girls at this time and a question and answer session followed. A presentation on adolescent changes; including physical, emotional and social aspects was presented to those students in grade 6 at JRM. In June Dr. Creighton spoke to the sixth grade boys as a follow-up to this program.

Kindergarten registration was held at Woodsville Elementary School in May. Parents were made aware of immunization requirements and the need for a physical examination before their child entered school in the fall. Vision and hearing screenings were done during registration.

During the school year we attended several workshops and conferences:

8/10/90: Feed Your Mind-Feed Your Body Workshop, State of N.H. Dept. of Education of Food and Nutrition Services Workshop, Bow N.H.

8/23/90: Creative Ways to Bring Health Education Messages to our students. Saint Anselm's College, School Nurse Institute.

9/4/90-12/4/90: The Journal As Literature. A four credit course through the School For Lifelong Learning in Littleton N.H.

10/17/90: Student conference at psychiatric ward Dartmouth-Hitchcock Medical Center, Hanover N.H.

10/17/90: Vocational Craft committee meeting, Woodsville High School.

10/24/90: Professionals Meeting the Challenge: Promoting a Healthier Life for Vermonsters. Radisson Hotel, Burlington, V.T. 9am-3pm.

11/7/90: School Nurses Meeting at Warren Village School, 2-4 pm.

11/14/90: Health Education Committee Meeting at Bath Elementary.

12/3/90: School Nurses Meeting at Warren Village School. 1:30-2:30 pm.

1/7/91: Health Education Committee Meeting - Loon Mountain Resort, 9am to 3pm.

1/23/91-1/25/91: A three day Trainer Workshop for Alcohol and Drug Curriculum. Here's Looking At You 2000. Meredith N.H.

2/4/91: Health Education Committee Meeting- Monroe School, 12-3pm.

3/11/91: Health Education Committee Meeting- Loon Mountain Resort, 9am-3pm.

3/91-6/91: Child Abuse and Neglect Course. A four credit course through the School For Lifelong Learning in Littleton N.H.

In closing we wish to thank the administration, faculty, staff, students, and parents for your continued support and cooperation throughout the school year.

Respectfully Submitted,

Ann Atherton, R.N.
Margaret Wilson, R.N.
School Nurses
